AFTMENON STREET,

William E. Lehman, Req., opened for the defence, and said that the testimony that would be
submitted on the part of the defence would warrant him to saking the jury for an acquittal:

Mr. Lehman then detailed the dreumstances
which occurred at the time, and said that the defence in this case would preve that the decessed
died of apoplery, and not by the violence of the
prisoner. recher. Mr. Lehman said that the crime, under the worst out how you go, because there was standing next to me; he was stan
