RICHEST DIADEM WORN BY KINGS OR EMPERORS. WHAT? WHY, A BEAUTIFUL HEAD OF HAIB. WHAT? WHY, A BEAUTIFUL HEAD OF HAIR. Because it is the ornament God himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparking, the test be those of pearls, if, the head be bereft of its covering, or the hair be snarled and shrivelled, harsh and dry, er worse still, if sprished with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. New York, April 19, 1888.

Dr. Wood: Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Bestorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

Paov. O. J. Wood: Drac Sir—Bome menth or six weeks ago I received a bottle of your Hair Restorative and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color; but to her, as well as my surprise, after a low weeks trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thicken ing the hair. I strungly recommend the above Restorative to all persons in want of such a change of their hair.

**CHARLES GARDEW*

Paov. O. J. Wood:—With confidence do I recommend your Hair Restorative as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whickers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also relieved me of all dandruf and unpleasant itching, so common among persons who persons recommended falling off and turning gray I was fast berespire freely.

A NALYSIS OF LYON'S CATAWBA
BRANDY by

A A. HAYES, M. D.,

ASSATER TO THE STATE OF MASSAGRUSSTIS.
IGNERALL CHARACTER.—A light-yellowish browncolored spirit, having a fragrant cdor; whon evaporated from clean linen it left no oil or offensive matter.

Analysed for volstile and fixed drugs, of which no traces of any kind were found. Its color is proved to be due to a colored resin an extract derived from wood. III,—In every respect it is a pure spiritous liquor.

The fragrance or bouquet which it possesses can be isolated, and it then spears unlike that from Cogmac Brandy or Wine, being a fruity essence resulting from a peculiar fermentation of Ostawb and Isabella Grapes.

CHEMICAL CHARACTER.

Brandy or Wine, being a fruity essence resulting from a peculiar fermentation of Oatawba and Isabelia Grapes.

Oursmoal Characters.—1, parts in volume of this spirit contains at 60 deg F. 481 2-10 parts of pure alcohol, besides the fragrant oil. 1,000 parts of the spirit afford 23 parts of a strong solution of the oil which characteries this Brandy; the spirit left, after removing the oil, is pure and offeries, and in all its qualities a perfect spirit not subject to change. One U.S. gallon of this Brandy at 6 deg. s. contains, besides the spirit and oil, only 220 grs. of matter composed of extract of fruit, gum, and colored resin from wood.

Bosron, January 25, 1858.

Dr. COXE, State Inspector of Okio, and Dr. JAB. R. CHILTON, Othemist, of New York, both pronounce this to be pure Brandy, and free from all adulteration. For Medicinal purposes Lyon's Catawba Brandy has no iival, and has long been needed to supersed the poisonous compounds sold under the name of Brandy. As a baverage, the pure article is altogether superior, and a sovereign, sure remedy for Dyspepsie, Platulency, Low Spirits, Lauguor, General Debility, &c., &c.

Also, RSHELBYS STILL AND SPARKLING CHAMPAGNE.—These Wines are made in the neighborhood of Olincinnait, and are guarantied to be the Pure Jules of the Grape, and are guarantied to be the Pure Jules of the Grape, and are eminently calculated for invalids and persons who require a gonile stimulant, and for Sacramental purposes.

This Madicine, as its name implies, is one of the greatest atrengthening preparations extant. It is expecially adapted to those who have a loss of appetite or are afflicted, with Dyapepsis, Liver Oumplaints. Piles, Nervous Debility, General Weaknes, and all diseases arising from a disordered condition of the digestive organs.

FOR FEMALE COMPLAINTS GENERALLY there is perhaps no medicine in the world equal to it, as it enters, purifies, and replenishes the clock; which is so important to bring about a healthy action it, as it enters, purifies, and replenishes the clock; which is so important to bring about a healthy action. THOUSANDS ARE LIVING a miserable existence, of a pale sickly color, weak and semaclated, who could be restored to health by the use of one bottle of this invaluable medicine. It is no humber, but a genuine remecy, being free from any thing that is of an injurious nature.

FOR ALL DISEASES OF THE BLOOD there is no better antidote than Hobensack's I ron Bitters. When the blood is impure the whole body is full of disease Blood letting may answer for a time, but cleaning a part will not purify the whole. At the fountain we must begin, and to cleans the blood there is no better remedy than these invaluable Bitters. Their chief constituent is iron, and we all know its efficacy in romoving the impure matter from the physicians and others, as the "ne plus ultra" of all tonics.
