BRANDY by

A A HAYES M. D.

ASSAYES TO THE STATE OF MASSAGRUSHTES.
IGENERAL CHARACTER—A light-yellowish browncolored spirit, having a fragrant odor; when syaporated
from clean linen it left up oil or offensive matter.

Analysed for volatile and fixed drugs, of which no
iraces of any kind ware found. Its polor is the posed of extract of fruit, gum, and colored resin from wood.

Bosrow, January 25, 1855.

Dr. COXE, State Inspector of Ohlo, and Dr. JAS.

R. OHILTON, Obernist, of New York, both pronounce this to be pure Brandy, and free from all adulteration.

For Medicinal purposes Lyun's Catawba Brandy has no vival, and has long been needed to supersede the poisonous compounds sold under the name of Brandy. As a beverage, the pure article is altogether superior, and a sovereign, sure remedy for Dyspepsia, Flatulency, Low Hpirits, Languer, General Deblitty, &c., &c.

Also, EHRIBAY'S STILL AND SPARKLING OHAMPAGNE.—These Wines are made in the neighborhood of Olucinnatt, and are guarantist to be the Pure Juice of the Grapp, and are eminently calculated for invalids and persons who require a gentle stimulant, and for Sacramental purposes.

a miserable existerce, of a pale sixty color, weak
and emaciated, who could be restored to health by the
use of one bottle of this invaluable medicine. It is no
humbug, but a genuine remecy, being free from ea;
thing that is of an injurious nature.

POR ALL DISHASES OF THE BLOOD
there is no better attidote than Hobensach's Iron intors. When the blood is impure the whole body is full
of disease. Blood letting may answer for a time, but,
cleansing a part will not purify the whole. At the
fountain we must begin, and to cleause the blood there
is no better remedy than these invaluable Bittery.
Their chief constituent is iron, and we all know its
efficacy in removing the impure matter from the
whole visceral system. They are prepared by a practical chemist, and have been pronounced, by conient
by physicians and others, as the "ins pins ultra" of all
tonics.

HOW GRATIFYING
to the proprietor that he has succeeded in compound
ing a remedy for many of the ills that his fellowmortals are subject to; and that the public appreciate it is not a question of doubt, but a fixed fact,
as the demand for it has far surpassed his anguine
expectations.

READ THE TESTIMONY OF A WORTHY OITIZEN as the demand for it has far surpassed his sanguine expectations.

This is to certify my wife was in delicate health some three years, with a disease peculiar to her sex. She tried numerous remedies without deriving any benefit Hearing of Hobensch's Iron Eiters, and knowing iron to be a powerful tonic, induced me to obtain a bottle, which proved to be the medicine she solely required, by restoring her te health. She hesitates not to recommend it to those who are similarly affected, as she believes it to be a rovereign remedy.
