Those of our readers who can't getaway may solace themselves, however, with a beautiful, cool summer suit by calling at the "Old Frahklin Hall Clothing Emporlum," E. H. Those more fortunate, and who design solouraling for a brief period at either of the ocean resorts, can secure beauliful bathing dresses of every variety and style, and at very moderate prices, at the "Old Franklin Hall."

wing. FARINA CRACKERS.—The remarkable excellence and great popularity of these Creckers have attracted the attention of those manufacturing other descriptions of Crackers, and many of these persons buy WING'S CRACKERS. In order to supply their customers with Parina Crackers.
One or two individuals, however, have been offering the ordinary kind, which they make under the name of Parina Crackers, and have succeeded in selling them to a small extent.

The selling of such Crackers for Parina has a tendency to injure the reputation of TRUE FARINA CRACKERS, made by Mr. WING.

Broons of this character, however, are usually corrected on being properly exposed.

No other person has ever succeeded in working the material for farina Crackers, or producing any atticle which contains such highly nutritious and healthful properties as WING'S.

WING'S CRACKERS have a delightful taste, act kindly upon the stomach, and sre digested with remarkable ease. For dyspeptics or the aged, as well as acceptable, and peculiarly pleasure for children.

L. PELOUZE & SON, thankful for the liberal patronage heretofore accorded to their Establishment, and desirous to merit its coatinuance, would announce to Printers and Publishers that their new SPEOINEN BOOK is now ready, and from their increased facilities, are now prepared to furnish every thing necessary in a complete Printing Establishment, at the shortest notice. Their leng practical experience in the business, and the fact of their personal superintendence of the manufacturing department, justifies them in asserting that they can furnish a more durable and better finished article than their cotemporaries.

Those, therefore, who desire Printing Materials, would do well to apply to them previous to purchasing elsewhere. Old type taken at 9 cents per pound, in exchange for new at specimen prices.
