Mr. Phillips replied by reading several passages from the lawtengulating the board, which be contended gave them the power to declare a building a milsance and close it.

Julge Thompson then proceeded to deliver the opinion of the court, and reviewed the powers given to the Boardoff Health very fully. He was of spinion that the board had no right in this case, after the cells were closed and the nuisance abated to close up the building, and that the Mayor, in resisting the office of the board in attempting, to do what he had no legal right to do, had been guilty of no breach of the law which gave these powers to the board. He would therefore order the discharge of, diayor Henry.
