independently : they are twin atropities, and mus tions of Europe in external pelish and in general accomplishments and refinement, we live or die together. In view of the European balanco of power, they are mutually a price and are far ahead of them in other points. We ompensation for each other. are not yet overwhelmed with a huge National For two hundred years Russia has been anxiously Debt that causes the price of everything to be struggling for a frontior upon a summer sea, where increased one half, in order that the interest hor mavitime interests might expand, and he on it may be paid. We have no wholesale ap neroial relations with the civilized world be

propriations of the soil by an Aristocracy prefitably cultivated. Her vast material resource are at present, for six months together, locked up whose title to it has been founded in fraud, and congealed within her arotic harbors, so a violence, or licentiousness, and under whose practically to be almost useless The Black sea i "cold shadow" the aspirations of those less out a fish pond. Some insignificant merchantmen fortunate than themselves wither. Every man -ith a few marines on board, are all the semblane is a free votor, and if he does not choose to of a navy which she suctains upon its waters It the jealous and domineering selfishness of Eng land (whose flag rides triumphantly over every sea) which has mainly reduced her to this condiare pointed at are, in a great measure, the ion, and which still confirms it. Hence the rooted acts of foreigners and not of Americans. ntagonism between these two Powers, and hence And if our police be not quite so expert as itso, the intelligible account of the first conference that of France, at least we have no organized between the French and Russian Emperors, system of spying and prying into a man's dogiven by Allison, in his History of the French Remestic and private concerns, his trunks and drawers, pay his very letters. Nor are our

volution. In chapter xxxiv he says: "France had nothing to domand of Russia, ex-cept that she should close her parts against Eng-innd; Russia, nothing to ask of France, but that she should withdraw her armies from Poland, and permit the Emperor to pursue his *long-cherteket*. When the interview occurred, "I have the Eng-ish," said Altxnder, "as much as you do, and ish zinset them." "In that onse," said Napoloon, "correctiong will he easily arranged, and pagao is olution. In chapter xxxiv he says: against them." "In that onso," said Napoloor "everything will be easily arranged, and peace alrendy made."

Here the whole subject is in a nut-shell! The othrence at Stuttgardt last year was nothing else than a resuscitation of this drama, destined proinbly, to be darker in its consequences the the darkest plot of any tragedy. Look also at its late results. First, the East Indian insurrection. (jointly instigated by France and Russia,) to draw off nearly every practised soldier, and half the ficetof England ; then, (to divide her attention and keep her forces employed,) bickerings between addition to his guests, give the amplest assurance of comfort and kind irestment.
In addition to the other means of access, it is deemed groper to atset that pussaggers can reach Bedford by a dynamic state that pussaggers can reach Bedford by a dynamic state that pussaggers can reach Bedford by a cannot say with certainty whether this or that is for a barrel, carboy, and in bottles, at the forling in the borne of the full bergilish and the nativers at Sierra Loone and tors have barrel, carboy, and in bottles, at the following grides, at the forling in the borne of the guise of trouble with Circasin, or in the Danubian in the dur of trial. normities like these implies a ludiorous unfamiliarity with their recorded history. To the in oredulous, however, the moments of Videoq, late chief of police of the city of Parls. (and whe, or his own showing, had been condemned for nearly every orime known to the laws,) as also the "Dix Ans" of Louis Blane, arestrennously commended

The inhuman and soity of this coup d'état (fir to) erm the pretended assassination of the Rao le Pelle tier)was applied by Louis Napoleon to the same political onds which had been consummated by Napo leon I. Innumerable proscriptions, arrests, impr onmonts, transportations, and executions were in nediately enforced throughout the Empire; andreachery of treacheries-his old republican con ituonts were the victims! Republicanism was ouffed, collared, and incarcerated; and so far as the ed, contried, and incircontated, and in a bold of a strength of Lie Covernment could go, was not only signatised with the assassination, but the literally annihilated. The occasion was also employed (as it had been by Napoleon I) as a pretext for bullyted principally by officets of the company, work-men in the shops, and such tradesmen and shopkeepers as are necessary for the conventence of these classes of people. With the exception of the hotel, with Mr. Miller, its gentlementy proprietor, ing his neighbors, particularly England; for get-trng up an imposing Sixto trial there; for malign-ing them as a nest of conspirators and assessins; for dissominating throughout his army an inerndiand the shops, the town presents few objects of into-est.

to-est. On approaching Hollidaysburg, however, (the county sent.) there is quite a change in the ap-perrance of things. The country opens out beau-tifully, lacking the startle, uncultivated appear-ance of the neighborhood of Altoons; the eye is greeted by fine farms, green hills, yellow grain fields, and snug farm houses. The palatial test-dences of Elias Baker and James McCuhan, Esga., as seen from the cars, also give evidences of the approach to an older settlement, and of refined thato. As you approach the town you are attracted by cable rancor against that people, as a much-desired and indispensable preliminizity to an organized attack upon thom. In the midst of all this, the scoptored assassin amuses the English with the empty scheme o Thome de Gamond, for tunnelling the British channel-a scheme which in the end, will prove to

GENERAL NEWS.

aver had, or probably ever will have, a body of p lice so vigilant, so wicked, or so awfully ver-ed in the sinuous wiles of kingeraft, as the eity of Paris. The propagation of the falsebool, however, was deened necessary, and it was according'y dissenti-nated with diligence throughout the press of the Empire and the world. The victims of the guillotine in this pretended some have, moreover, nover been authenticited as the verifiable Orsini and Piorri, who were the nominal actors in it. The time of the execution
