A OARD TO THE PUBLIC.

During the last season an attempt was made to deceive the public, by persons offering what they called "CONGRESS WATER," from Fountains: and at the price of six cents per glass. The WGOLESALE prace of the GENUINE CONGRESS WATER, at New York, being about 7½ cents per glass the imposition of thus pretending to sell at retail, for less than cost, and without allowance for Freight, Cartace, and Breakage, is apparent; but their probable course has been to empty ONE butle of genuine Congress Water into a Fountain, and thereby christening its total contents.

We have NEVER sold Congress Water into a Fountain, and thereby christening its total contents.
