All honor to the brave! BURNY ALMONDS.—This pleasant and wholesome ticle of confectionery may at all times be indulged in with comparative freedom, with impunity, but more eswith comparative freedom, with impunity, but more especially so when they are of a really superior quality. We had lately the pleasure of, trying a quality of this delicious article, just perfected by the well known establishment of Mr. Stephen F. Whitman, No. 1210 Market street, and are free to say that, in flavor and quality, we have never found them equalled.

BATHING.—Still our citizens are wonding their way ocean-ward for a bath, and still their way Sloanward for suits to bathe in. This is as it should be, for John P. Sloan's Bathing suit establishment, at No. 806 Market street, or either of his stores at Cape Island or Ati intic City, are superior to any others of the kind in this coupity.

Cool Nights and Mornings.—The weather for some time past has been remarkably cool of nights and mornings, the thermometer indicating a change in temperature of some 16 degrees between noon and night. Those changes are very trying to the constitution, and, to avoid evil effects, persons should be careful to make a corresponding change in their apparel. HEALTRFUL FORM.—The working of Parina, as connected with the peculiar process by which WING'S FARINA CRACKERS are made, is known only to Mr. WING'S establishment.
The superior quality of his CRACKERS has already caused them to become widely known, and they are now in extensive use. plished without consummate skill saft the means necessary to carry it out.

The whole business requires great care and good judgment, and must be carried on extensively in order to make it successful or profitable.

The objects to be attained by Mr. WING were to produce a superior article at a price suitable for all classes. For this he has labored long, and subjected himself to an adequate outlay of capital.

The pretence, therefore, on the part of any one else, that they make FARINA CRACK ERS, is simply a device resorted to in the hope of selling more of an article than they otherwise would do, if offered under the proper name. cle than they otherwise would do, if offered under the proper name.

With the view of a largely extended business, Mr. With the xiew of a largely extended business, Mr. WiNG has continued for some time past the present low price for his Grackers.

It has been freely asserted by prominent Cracker Bakers in the city of New York, that with the great amount of hand labor bestowed on WING'S FARINA CRACKERS it is impossible for him to realize a profit at the present price.

Mr. WING'S object, however, is to place his GRACK-ERS in the market at a rate that will enable all persons to use them freely, and not advance the price, unless absolutely necessary. to use them freely, and not advance the price, unless absolutely necessary.

The increased use of WING'S FARINA CRACKERS, with the commendatory remarks of Parents, Teachers, and Physicians, as well as many persons in various positions in life, whose powers have been more or less weakened by sedentary habits or occupations, is strong proof the healthful and beneficial results which have attended their use.

Their great nourishing properties, and the ease with which the stomach digests this pleasant food, are well established, and there are be on testing them, no doubt of this fact, viz: that he same weight of WING'S CRACKERS will make more good blool, and act more kinly upon the delicate texture of the stomach, than anything else over introduced in this or any other form of bread. any integrate were introduced in the state of a confirmation of bread.

All the FARINA CRACKERS have the name of A. All the FARINA CRACKERS in the purpose of the many and those wishing to buy should sak for WING's CRACKERS.

They may be had of the feet's family grocers generally, and at wholesale only of Nos. 221 and 223 FULTON Street, New York, or DINGEE & BROTHER, Wholesale Agents, No. 145 South FRONT Street, Philad's.
