FOR FEMALE COMPLAINTS GENERALLY there is perhaps no medicine in the world equal to it, as it enters, puriles, and roplenishes the blood which is so important to bring about a healthy action THOUSANDS ARE LIVING

a miserable existence, of a pale sickly color, weak and smacisted, whe could be restored to health by the use of one bottle of this invaluable medicine. It is no humbig, but a genuine remedy, being free from any thing that is of an injurious nature.

FOR ALL DISEASES OF THE BLOOD there is no better antidote than Hobensack's from Bitters. When the blood is impure the whole had in full of disease. Blood letting may answer for a time, but cleaning a part will not purify the whole. At the fountain we must begin, and to cleans the blood there is no better remedy than these invaluable Bitters. Their chief constituent is iron, and we all know its efficacy in removing the impure matter from the whole visceral system. They are prepared by a practical chemist, and have been pronounced, by eminent physicians and others, as the "me plus ultra" of all tooles.
