Recolved, That we have having a first that the object that in a faithful and the custom house of eaches of the commission of the first practical particular and particular an

expenses, if the appropriation failed.

Te-day's States (a daily Democratic paper here) complains of the number of leading missions given its Pennsylvania. I give you the ost irreverent paragraph : most irreverent paragraph:

A telegraphic despatch from Philadelphia informs us that strong effort is being made in behalf of ex-Mayor Vaux, of that city, for an appointment to a foreign mission. In behalf of equality and justice, we would like to know how many more foreign missions Pennsylvania exposts?

Besides a legion of contuits, secretaries of legation, and commercial agents, the old Keystone State has been complimented with the following full missions:

Gate has oeen compinmented with the following fall missions:
George M. Dallas, Minister to London.
Wm. B. Reed, "China.
Joseph R. Chandler, "Naples.
Joseph B. Clay, "Lima.
Chas. B. Buckslew, "Eouador.
We think Pennsylvania certainly has already rather the Hon's share of comfortable places, and that modesty would distate the propriety, even if the old State has any further elaims upon the Democracy, to withhold them for the present.

The contract of the proper of weather of the proper of the set of the least of o

eminently national in their character; as, did pace permit, might readily be shown. Why not, then, make the Atlantic Telegraphic eat, free, international institution, the expe great, free, international visit the sate of which to be sustained by the National Treasuries of England and America? Such an arrangement could be made at a trivial cost to both countries at large, and as the advantages arising from it will be pre-eminently of a national character, this course (leaving the minutes of the

GREAT NEWS! ATLANTIC CABLE SUCCESSFULLY LAID THE NIAGARA AT TRINITY BAY. COMMUNICATION PERFECT.

Thinity Bay, August o. The Atlantic cable has been successfully laid. The United States frigate Niagara arrived yes rday. The cable will be landed to day. The signals are perfect throughout. [SECOND DESPATCE.]

LETTER FROM CYRUS W. FIELD.

The Atlantic telegraph fleet sailed from Queen own on Saturday, July 17th, and met in mid-oces on the 28th. The cable was spliced at one c'clock P. M. c Thursday, the 29th, and the vessels then sepa rated, the Agamemnon and Valorous bound to Valencia, Iroland, and the Nisgara and Gorgon The meeting was one of the integer ever much this county, which proves the unidiminished attachment of the Democracy of old Berks to their for this pince, where the latter arrived yesterday, and this morning the end of the cable will be landed. It is 1,693 nautical, or 1,950 statute miles, from the telegraph house, at the head of Valencia har bor, and the telegraph house, bay of Bull's Arm, Trinity bay, and for more than two-thirds of this distance the water is over two miles in depth. The

cable has been paid from the Agamemnon at about the same speed as from the Ningara. The electrical signals are sent and through the whole cable perfect. The machinery for paying out the cable worked most satisfactorily, and was not stopped for a single moment Captain Hudson, of the Ningara, Messrs. Eve-

rett and Woodhous, the ongineers, electricians, and officers of the ship, and, in fact, every man on beard the Talegranh fleet exerted himself to th tmost to make the expedition successful, and by he blessing of Divine Providence succeeded. After the end of the cable has been landed and connected with the land wire telegraph, and the Nisgers discharged some cargo belonging to the company, she will go to St. John's for coal, and then proceed at once to New York.

CYRUS W. FIELD

THE IMPOUNCEMENT TO THE PRESIDENT.

BEDFORD SPRINGS, Aug. 5.—The first intimation of the success of the Atlantic telegraph enterprise was received by President Buchanan, in a despatch from the Philadelphia agency of the Associated Press. The following despatch from Cyrus W Field, Eag., to the President, was subsequently registed. ON BOARD U. S. STRANSHIP NIAGARA;

On BOARD U. S. SPEAUSHIP NIAGARA;
TRINITY BAY, August 5.
To the President of the United States:
DEAR SIR: The Atlantic Telegraph sable on board the United States frigate Niagara and H. B. M. steamer Agamemnon was joined in midocean, on Thursday, July 29th, and has been successfully side. As soon as the two ends are connected with the land lines Queen Victoria will zend a message to you, and the cable be kept froe until after your reply be transmitted.
With great respect, I remain, your obedient servant,
Rejoicings at the Result. Rejoicings at the Result.

HARRISLUNG, August 5.—The sunconcernent the successful laying of the Atlantic cable was received here this afternoon with every demonstration of public joy. The old State House bell, the churches, factories, depots, machine shop, and fir churches, factories, depots, machine shop, and fi bells were rung for half an hour, commencing soven o'clock this evening. In the evening, fi works and bon fires were lit in the State Hou square, and the proceedings were enlivened by the music of the State Capitel Brass Band. Every person seemed to partake of the general enthufell ‡; Pacific Mail Steamship has risen to 86‡.

CHICAGO, August 5.—The intelligence in relation to the telegraph cable was received with the greatest enthusiasm. A salute of one hundred guos is now being fired in honor of the greatest event of the inhelecult sentury.

New York, August 5.—An unexampled sensation has been cocastened by the result of the telegraph cable enterprise, and there is a general expended and advanced ‡. Milwayee and Mississippi ‡. Panama opened graph cable enterprise, and there is a general expersion of satisfaction. The American Telegraph Office 1 to be illuminated to-morrow night in honor of the syont.

HALPAX, Aug. 5.—The success of the Telegraph enterprise has created the most intense excitement. Notwithstanding the falling rain, the telegraph office was blockeded by crowds, and the bells were rung and flags displayed in honor of the event. The military and naval authorities design having a grand public demonstration to morror, with a procession and salutes, and there will be an illumination in the evening.

Directory, with a procession and salutes, and there will be an illumination in the evening.
