lest of interiere, when all is in the foreign his interies interie giate of things in the future were daily de-state of things in the future were daily de-reloping. The present great awakening on the subject of religion had already accomplished much towards battering down the division... walls of selfshness that have too long sundered those professedly of the same household. All he wanted to know the division is professedly of the same household. All he wanted to know the same household. All he wanted to know the division is professedly of the same household. All he wanted to know the same household. All he wanted to know the same household. All he wanted to know the division is professedly of the same household. All he wanted to know the same household. All he wanted to know the division is professed by the street. TANDSOME MODERN RESIDENCE, No. 521 North Sixth The division wile of selfedness that have been possessible and be produced to be possessible and be possessible an in return, over those to whose liberality they were entitled, "and let not him that estell instruction of the true returns of the origination of the second called; and to prove that this was the true principle, he appealed to those who heard him if they had not met in their walks men of all MEBOANTILE LIBBARY SHARE. if they had not met in their walks men of all denominations, who, independent of name, were universally acknowledged in society as This, however, should always be borne in mind, that the 'only true standard of Chris-tian godness. Was found in a man's. Walking through fife with the conscientious motive of honoring God, and the man that did this, whether Law Constants and the standard of the standard of the standard of the state of the standard of the standard of the state of the st whether Jew or Gentile, Greek or barbarian,

was his idea of a true Christian. Lest the liberality for which he was con-tending; however, should be falsely construind, Mr. Willismade a brief allusion to the wrong interpretation which had sometimes been applied to these words in the chapter under re-

""(One nian esteemeth one day above anoth-or; another esteemeth every day alike." These words, said "he, had by some been tortured into the meaning that, by those who saw proper, the Sabbath need not be recog-nised as differing any from every other day in the week.

nised as differing any from every other day in the week. The fallacy of this interpretation was, how-over, clearly apparent. The ancient Jews, as we all knew, had imposed upon them in the Levilical law a multitude of Sabbaths (a word signifying a day of rest) besides the weekly Sabbath specified in the moral law, and it was in reference to the observance, of these that these words were written. None of these extra Sabbaths had been mentioned in the new kly Sabbath which we are required to the test freede to the doce and to the shore of the saber of the same foot set is struck off. Bab 1874 THE ATE AT PRIVATE SALE. Basiness stand and wainut street. Dwelling house, No. 837 Vine street. Same foot set is struck off. Basiness stand and dwelling, So. 1812 Wallace street. Same stand and welling, So. 1812 Wallace street. Streets. Xeep holy?' we' find 'imbidded in the very of the steeting all days alke?' is given, aro; that regarding or not regarding shall be done wath the Lord; so that in order for a man to be justified in breaking the Sabbath--a part of the moral law--he must be able to show-at the bar of his own conscience that he does so with the view of honoring God.

justified in Dreaking and Low able to show at the moral law—he must be able to show at the moral law—he must be able to show at the does so with the view of honoring God. There was too much pulling down among the show at too. Apply at the anction store. There was too much pulling down among the show at the disposition to build up. Everything that tended to edify; (a the tend disposition will be term edifice was derived.) was valuable and room which the term edifice was derived. Was the head: The Scriptures likened the church to a the head: good. The Scriptures likened the church to and good. The Scriptures likened the church to a great edifice, of which Christ was the head; the stones in this edifice, were the different branches of the church; all these needed trimming and cutting and chiseling to adapt Diamons of the childing and citing and citing
