CABINET OF MINERALS.

THE GREAT WONDER . OF THE NINETEENTH CENTURY, PROFESSOR WOOD'S

Bays the St. Louis (Mo.) Democrat: Below, we publish a letter to Dr. Wood of this city, from a gentleman in Maine, which specks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coiming from a fellable source. If certificates, are guarantees of truth, the Dr. needs no encomiums, nor uneless puffery from the press:

BATH, Maine, Jan. 20, 1856.

Professor O. J. Wood & Co.—Gentlemen: Having my attention called a few months since to the highly benefical offects of, your Hair Restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers were of same character. Some three months since I procured a bottle of your hair restorative, and used it. I soor found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now cerif y to the world that the gray or white hair has totally disappeared, both on my hoad and face and my hair has resumed its natural color, and I believe more soft and glosey than it has been before for twenty-dive years. I am now sixty years old; my good wife at the age of fifty-two, has used it with same effect.

The above hotice I deen due to y in for your valuable discovery. I am assured that whoever will rightly use, as pet directions, will not have occasion to contradict my slatements. I am actitizen of this city, and a resident here for the last fitteen years, and am known to nearly every one here and adjoining towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am truly, yours, A. C. RAYMOND. BALTIMORS, Jan. 23, 1868 HAIR RESTORATIVE

I have be "troubled from my childhood; and has also restored my hair, which was becoming gray, to its original color. I have used no other article with anything like the same pleasure or profit.

Yours truly,

The Resterative is put up in bottles of three sizes, visitargo, medium, and small. The small holds hall a pint, and retails for one-dollar par bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, forty per cent. more in proportion, and retails for three dollars a bottle.

I OBENSACK'S IRON BITTERS.

1. This Medicine, as its name implies, is one of the greatest strengthening preparations extant. It is especially adapted to those who have a loss of appetite or are afflicted with Dyspepsia, Liver Complaints, Piles, Nervous Debility, Georal Weakness, and all diseases arising from a disordered condition of the digestive orwans. FOR PEMALE COMPLAINTS GENERALLY

FOR PEMALE COMPLAINTS GENERALLY there is perhaps no medicine in the world equal to it, as it enters, puriles, and replenishes the blood which is so important to bring about a healthy action THOUSANDS ARE LIVING

a miserable existence, of a pale sickly color, weak and emaciated, who could be restored to health by the use of one bottle of this invaluable medicine. It is no humburg, but a genuine removy, being free from any thing that is of an injurious nature.

FOR ALL DISHASHS OF THE BLOOD there is no better antidote than Hobonsack's Iron Bitters. When the blood is impure the whole body is full of direase. Blood letting may answer for a time, but cleansing a part will not purify the whole. At the fountails we must begin, and to cleans the blood there is no better remedy than these invaluable Bitters. Their chief constituent is iron, and we all know its efficacy in removing the impure matter from the whole sisceral system. They are prepared by a practical chemist, and have been pronounced, by eminent physicians and others, as the "in spins ultra" of all tonics.

HOW GRATIFYING

physicians and these, and the first confice.

HOW GRATIFYING to the proprietor that he has succeeded in compound ing a remedy for many of the ills that his cillow-mortals are subject to; and that the public appreciate it is not a question of doubt, but a fixed fact, as the demand for it has far surpassed his sanguine as the temand for it has her surpassed his sanguine as peciations.

BEAD THE TESTIMONY OF A WORTHY OUTIZEN.

This is to certify my wife was in delicate health some three years, with a disease peculiar to her sex spike tried numarous remedies without deriving any benefit. Hearing of Hobensack's Iron Bitters, and knowing iron to be a powerful tonic, induced me to obtain a bottle, which proved to be the medicine she solely required, by restoring her te health. She hesitates not to recommend it to those who are similarly affected, as she believes it to be a sovereign remedy.
