THE QUEEN'S MESSAGE It appresses after all, and indeed as we anti-closted restorday, that the Telegram received by the President, on Monday, was not the submission. Notwithstanding their objec. Queen's Message. This is one of the cases in which the doctrine of "part prototo?" is not to be accepted. The bittal parcetaph of VIOTORIA'S communication, was sent off, it seens, minus the concluding portion, which albeit somewhat cold and formal, may be ac degree of precipitation which has eventuated unfavorably. The message actually sent of Monday, in the name of Queen Vioronia, in perfectly because incompletely, conveyed her congratiliations, and those of her country upon the greatest event of modern times wo might say, on the groutest event of any

wo might say on the greates of an any, time. ((a)) on the greates of an any, the second second second second second second within the limited period, we possibly could, we arrive at the conclusion that the blame' must rest upon Mr Dr SATT, the blame' must rest upon Mr Dr SATT, the blame' thus: When operators have cleed a message that has no signature of fave bend all they have, they always any "that all they mes-sage is aver given dub until they are satisfied their contumacy. Time will show how they sage is ever given out until they are satisfied that it is complete. This rule is made because the instrument often gets out of order when message is but half finished a set in the line of the set in this case, although they must have

Doubtless they were excited by their siccrush the falsehood, for all parties in Kansas cess. But it would, have answered much bet ter if they had given notice that only a portion ties have formed Constitutions to secure it.

A BUDGET OF BLUNDERS. Letter from "Occasional," istatesman a blunder is worth than a criffle, be true, the Lecomptonites have a fearful array of sins to answer for. When the Oilhoun contrivance was first sent to Washington, they allied themselves under the banner of Le gompton, "pure and simple" and all thin efforts and energies were directed towards information and the suggestion at its close an important

Complete Wirzerovan, we we want to be a server of the serv on board of the Niagara, having left Mr. Dr SANTY in charge. +He in entitled to a participation in the honors, whatever they may be which may be given to Mr. Firth.

Apropos of this. There, seems to be a desire that a public celebration, in honor of the great event which so much interests the world. should simultaneously take place in the prin-

cipal cities of the Union: Already have Pittsburgh and New York de termined that such a celebration should tak place to-morrow (Thursday)) and it has bee place to morrow (tursday); and it has been suggested that the same should be done on the same day, h this city, and we under-stand that Mary Jorson, the pyrotechnist, has offered to apply a liberal allowance of fire works. Our Board of Trade, we belleve, ar in favor of to-morrow being the day. For our own part, we think that the proper time of doing this, which would give ample oppor-tunity for such preparation as would make the affuir a distinguished success, would be after the regular communication of news, to and from Europe, had become a fixed fact.

John Hickman's Great Speech at West

We publish upon our first page, this morn-We publish upon our first page, this morn-ing, the speech of Hon. JOHN HIGHMAN, at submission, must still further stulkify them-West Unestary: on the 10th of July, if defence of his course upon, the Kansa gress. It was literally and admirably reported by J. J. McKurows Eq., and donirably reported dit to his skill as phonographic. All parties must concur has according to Mr. Hickman the simple justice of heing to bid, able, and how a constitution of its strength to their vigor-est Representative; and the notorious facts of how according to the strength to their vigorignoring that pretext, and granting an unfair ample jusice of the motion and the notion and non-est Representative; and the notions facts of ous exertions i the Lecompton control of them, leave no room blundering through their insincere and sophis-masterly presentations of them, leave no room blundering through their insincere and sophis-

masteriy presentation or mem, seave no room of indering through their insincere and sopula-for doubt as to the correctness of his position tical line of argument, devouring in each new on the Kanaka fished. If the North is ever month their mental offspring of the previous to exercise the degree of infinite of the new one, they have respect nothing but disgrace the national councils to which she is just-ly entitled, the horist members of all defeat. They failed to carry Lecomp-ton through Congress, and failed to seduce the parties must mint to match these who have the ability and courage to the represent to the hands the "test" policy, I have the ability and courage to ropre-sent their sentiments. It is a plitable sight to see our most chefished interests and our most chefished interests accificed, by pedding out Congressional nonfinition, was. The post of Congressional is created for the bonefit of the people, and should be given to those best able to promote their interests and defeud their fights, instead of being couriered upon inceyables, who have no higher as npon incapables, who have no higher as pirations than to be the subscritent in-straments of power, of the cat's paws of plunderers. This plain fact is well underst and is acted upon in the South, and is the main cause of her political power. There is not a Southern district that would not success such a Representative as Mr. HIOKMAN, under circumstances similar to those which exist in circumagances similar to those which exist in his case, by an almost unablinous yold, and the machinations of petty politicities to defait such a candidate, would be treated with un-mitigated contempt. The voters of Obester and Delaware condities are infelligent men. fully competent to do their own thinking and voting, without dictation from interested lead plunges them depend and deeper into the mire. There is but one course they can safely pur-sue, and that is, to retreat back to the firm ers. A vast majority of them approve his course in the last Congress, and know full well
