DR. BARNES'

CAMPHORATED EXTRACT OF GINGER.

This Medicine has, by its own merit, gained a great reputation. It is composed entirely of vegetables, and is made from the formula of a distinguished physician, used by him in the cholera of 1832. It does not contain Opium in any form, and never constipates the bowels. It is a safe, speedy, and sure remedy in the attacks of cholera morbus. It has cured cholera after the "rice water" discharge had taken place. The cramps and pains of cholera morbus and dysentery are in a few minutes expelled from the stomach, and the bowels restored to a healthy action. If this remedy were used in the premonitory symptoms, dysentery, that dreaded disease, would find fewer victims. Read the recommendations of the railroad conductors who have used it for several years, in the circulars.

For the cure of NAUSEA, NERVOUS DEBILITY, CRAMP, CHOLIC, FLATULENCY, and SICK HEADACHE, it has no equal.

DYSPEPSIA of over twenty years' standing has been cured by it. The weakest stomach, by twenty drops taken after each meal, may be restored to a healthy action.

Nervous tremor, the result of excessive drinking, is at once cured. It has prevented attacks of delirium tremens.

Two or three doses is enough to cure sea-sickness.

It is the most valuable of its kind in existence, and is so pronounced by physicians who are using it in their practice. As a PREVENTIVE of FEVERS, during their prevalence in Autumn, taken in doses of thirty drops, when the stomach and bowels are constipated or in an opposite state, it will so prepare the system as to overcome any liability to an attack even of Yellow Fever or Typhoid.

Persons who have suffered in health from Ague and Fever have been restored to health by this wonderful remedy. No one should be without it.

Prepared only at 333 CHESTNUT Street.

Sold at stores throughout the United States. A very liberal discount made to retailers. au28-1m

THE AMERICAN SMOKER.

A LUXURIOUS AND HEALTHFUL

AROMATIC SMOKING TUBE

FOR PIPES AND CIGARS.

This invention removes the dangerous and poisonous oil of the Tobacco, which is so prejudicial to the nerves, allowing the smoke to pass through it cool and fragrant, laden with delightful aroma.

All the luxury of the heavy Turkish Water-Pipe is obtained by this contrivance, which can be carried in the pocket, a single drop of perfume giving any flavor the Smoker may desire.

Invalids may use these, not only with impunity, but advantage; a number of prominent physicians bear testimony to this, recommending it in their practice, where smoking may have a curative effect.

The Tubes may be obtained at all the Druggists and principal dealers in Cigars.
