OF WEDNESDAY, 16th September, inst.
The magnificent first-class Olipper Ship Chalatea,
Barber Commander, is receiving her cargo at pier 21,
Rast River, New York, and will promptly sall as above.
This favorite Clipper is of small capacity, and well
known for short passages and good delivery of cargo.
Her passages of 112 and 116 days are unequalled by any
vessel now loading for San Francisco.
For balance of freight or passage, apply to
BISHOP, SIMONS & CO.,
se8 if No.105 AROH Street, above Front.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  Do do 5.40 P.
