DENN INSTITUTE—Southeast corner of Interest, opened on Mo'DAX, the 6th of September. Fiveste, opened on Mo'DAX, the 6th of September. Frivate instruction, though favorable to rapid progress, yet sends the scholar into the world with a keen sensitiveness, which totally disqualifies him for active life; whilst attention to many oftentimes forces the instructor to mest general difficulties rather than those personal to each individual, and the learner either loses all interest, or becomes superficial in his sequirements. For these and other reasons the number is limited.
