HARRIS' BOUDOIR SEWING MACHINE is offered to the public at the most reliable low-priced Sewing Machine in use. It will sew from six to sixty stitches to an inch, on all kinds of goods, from the finest cambric to the finest broadcloth. It is, without exception, the simplest in its mechanical construction ever made, and can be run and kept in order by a child of twelve years of age. The DURABILITY of this machine, and the QUALITY OF THE WORK, are warranted to be unsurpassed by any other. Its speed ranges from three hundred to fifteen hundred stitches per minute. The thread used is taken directly from the spools, WITHOUT THE TROUBLE OF REWINDING. In fact, it is a machine that is wanted by every family in the land, and the low price of FORTY DOLLARS,
at which they are sold, brings them within the reach of almost every one.

RICHARDSON'S IRISH LINENS,
DAMASKS, DIAPERS, &c.
CONSUMERS of RICHARDSON'S LINENS, and those desirous of obtaining the GENUINE GOODS, should see that the articles they purchase are sealed with the full name of the firm,
RICHARDSON, SONS, & OWDEN,
As a guarantee of the soundness and durability of the Goods.
This caution is rendered essentially necessary as large quantities of inferior and defective Linens are prepared, season after season, and sealed with the name of RICHARDSON, by Irish houses, who, regardless of the injury thus inflicted alike on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.

PRENTISS'S
WASHING AND SCOURING
SOLUTION.
PATENTED JUNE 22, 1858.
This important discovery has just been patented by the United States, and it is now confidently recommended to Manufacturers, Housekeepers, and others. It is a labor-saving preparation, and costs less than half of any other article known for cleansing purposes. While it cleanses, whitens, and purifies Cotton, Linen, and Woollen goods of every description, it will not injure the most delicate fabric. Certificates of its value have been given by some of the leading manufacturers of the country, as well as by many reliable housekeepers and citizens.

And, by all odds, THE BEST.
PETERSONS' DETECTOR is one suited exactly for the present day and times, and no one that ever handles bank notes should be without it. It points out and exposes all bogus and doubtful banks. No subscriber to this Detector, if guided by its quotations, need ever be imposed upon by worthless banks, or counterfeit or broken bank bills.
The Press everywhere is unanimous in their praise of "*Petersons' Detector*," and over *one thousand different editors*, in their various papers, in different parts of the country, have already pronounced it *the best, most perfect, reliable, and complete Detector that has ever been issued.*

THE TRIBUNE MERCANTILE ADVERTISER.—We propose to issue on the 1st day of October next the second number of THE TRIBUNE MERCANTILE ADVERTISER. It will be issued monthly hereafter, and devoted exclusively to the interests and uses of the Mercantile Public, on the following plan:
I. It will contain full reports of the MARKETS, with such other COMMERCIAL and MONEY INTELLIGENCE as shall be deemed of special interest to Merchants.
II. It will be sent, without charge, by mail, postage prepaid, to 50,000 COUNTRY MERCHANTS who buy goods in New York, Philadelphia, Baltimore, or Boston. The names will be selected by Messrs. McKillop & Wood, from those recorded on the books of their Commercial Agency, and they guarantee that not less than 50,000 shall be sent, this being the full number of Country Merchants that they consider it desirable thus to address.
III. The total expense will be defrayed by MERCANTILE ADVERTISING, for which ONE DOLLAR per line will be charged. Those who require their advertisements to be displayed will make special bargains therefor.
It is believed that no equal opportunity for addressing Country Merchants was ever offered in the United States, even at double or treble the cost of this. This sheet is intended for Merchants alone, and will contain no other matter than such as is adapted to their wants. We have every facility for making a MERCANTILE ADVERTISER that will deserve the approbation of Merchants, and we respectfully invite their co-operation. Advertisements received at THE TRIBUNE office. Apply in Philadelphia to JOY, OUR & CO., 439 CHESTNUT street.

Lewis Gaylord Clarke, of the *Knickerbocker Magazine*, says: "The bones of those who have exploded in the perusal of the verses of K. N. Pepper whiten the soil of the United States, from the Rocky Mountains on the east, to the extreme west. '*A noad to the Grek slaiv*' is as immortal as the *Statoo* which inspired it."

FROM THE PRESS OF THE
AMERICAN SUNDAY SCHOOL UNION,
Published Saturday, September 4th.
COOPER GENT, and other Sketches from "The Country Pastor's Visit to his Poor." 18mo., cloth.
A record of God's gracious dealings with the meanest and humblest of his creatures. Sunday-school teachers and other visitors to the abodes of poverty and misery will be encouraged by it. As a testimony of God's faithfulness in bestowing his blessing upon labors wrought in Christ's name among the children of sorrow and suffering, such a record has permanent value; while it also serves as a sample of the method of approaching, instructing, and winning those who are supposed to be alienated from the common sympathies of life.
