**RECONSTRUCTION OF THE PROPERTY OF THE PRO THE GREAT WONDER a of the nineteenth century, PROFESSUR WOOD'S

HATE TRESTORATIVE.

Says the St. Louis (ide.) Democrat: Below, we piblish a letter to Dr. Wood of this city, from a gentleman in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source. If certificates are gurantees of truth, the Dr. needs no encomiums, nor useless puffery from the press:

BATH, Maine, Jan. 20, 1856.

Professor O. J. Wood & Co. — Gentlemen: Having my attention called a few months since to the highly breake all effects of your Hair Restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskors were of same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since-procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face and my hair has resumed its natural color, and I believe more soft and glossy shan it has been before for twenty-five years. I am now sixty years old; my geod wife at the age of fifty-two, has used it with same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whever will rightly use, as, per directions, will not have occasion to contradict my statements. I am a citizen of this city, and a resident here for the last fifteen peare, and am known to nearly very ions, there are diplining towns. Any tise you may make of the above, with my name attackled, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am truly, yours, and to nearly very in the generation, and found it to answer as the year thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

The undersigned, Rev. J. K. Bragg, is a mindster in regular standing, a PROFESSOR WOOD'S HAIR RESTORATIVE DEFINIT INSTITUTE—Southeast corner of THINESTITUTE—Southeast corner of an MONDAY, the 6th of September. The undersigned has purchased the large and elegant building, corner of THIRD and PINE Street, formerly occupied by the West Branch Bank, and has enlarged and refitted it in a superiorstyle.

Williamsport is one of the most delightful inland towns in Pennsylvania, and his house, he hopes, will be found pleasant, as well to the traveller as to those officens of the metropolis who desire to pass an agreeable time during the heated term of the summer.

His omnibus runs from his hotel to the Packet and Railroad Depots free of charge.
