SOMETHING NEW.—GAS BURNING COOK STOVE.—I would respectfully call the attention of the public to one of the greatest improvements ever introduced in Cooking Stoves and Ranges—the burning of the gas arising from the coal, by which means is saved 50 per cent. in fuel and also more intense heat thrown to the bottom of the oven. We effect the burning of the gases by means of a hollow centre-piece, perforated on the under side, which admits the air in a heated state to mingle with the gases, thus aiding its combustion, and causing a flame to pass around the oven equal to a wood fire. This improvement also preserves the centre piece from sinking down on the fire, thereby saving the expense of repairs. One of the Stoves CAN BE SEEN IN OPERATION at 1116 MARKET Street. Manufactured by JAMES SPEAR, Inventor and Patentee, (late North, Chase & North,) 1116 MARKET Street. sept29-3mo

PENN INSTITUTE—Southeast corner of THIRTEENTH and FILBERT Streets, opened on MONDAY, the 6th of September.
Private instruction, though favorable to rapid progress, yet shuts the scholar into the world with a keen sensitiveness, which totally disqualifies him for active life; whilst attention to many oftentimes forces the instructor to meet general difficulties rather than those personal to each individual, and the learner either loses all interest, or becomes superficial in his acquirements. For these and other reasons the number is limited.
For further information apply personally, from nine o'clock A. M. to one o'clock P. M., or by note, to

THE GREAT WONDER
OF THE NINETEENTH CENTURY,
PROFESSOR WOOD'S
HAIR RESTORATIVE.
Says the St. Louis (Mo.) Democrat: Below, we publish a letter to Dr. Wood of this city, from a gentleman in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source. If certificates are guarantees of truth, the Dr. needs no encomiums, nor useless puffery from the press:
BATH, Maine, Jan. 20, 1856.
Professor O. J. WOOD & Co.—Gentlemen: Having my attention called a few months since to the highly beneficial effects of your Hair Restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers were of same character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-five years. I am now sixty years old; my good wife at the age of fifty-two, has used it with same effect.
The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, as per directions, will not have occasion to contradict my statements. I am a citizen of this city, and a resident here for the last fifteen years, and am known to nearly every one here and adjoining towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am truly, yours,
A. C. RAYMOND.
BALTIMORE, Jan. 23, 1858.
WOOD'S HAIR RESTORATIVE.
Professor WOOD—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans, in 1851, I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.
FINLEY JOHNSON.
The undersigned, Rev. J. K. Bragg, is a minister in regular standing, and Pastor of the Orthodox Church at Brookfield, Mass. He is a gentleman of great influence and universally beloved.
WM. DYER.
BROOKFIELD, Jan. 12, 1858.
Professor Wood—Dear Sir: Having made a trial of your Hair Restorative, it gives me pleasure to say, that its effect has been excellent in removing inflammation, dandruff and a constant tendency to itching with which I have been troubled from my childhood; and has also restored my hair, which was becoming gray, to its original color. I have used no other article with anything like the same pleasure or profit.
Yours truly, J. K. BRAGG.
The Restorative is put up in bottles of three sizes, viz: large, medium, and small. The small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, forty per cent. more in proportion, and retails for three dollars a bottle.

Medicinal.

THE GREAT STANDARD REMEDY OF THE NINETEENTH CENTURY.
THE IMPERIAL DEPURATIVE FOR PURIFYING THE BLOOD AND STRENGTHENING THE WHOLE SYSTEM.
The Imperial Depurative, prepared by Dr. Lounsberry & Co., is now acknowledged as the principal Family Medicine for the cure of CANCEROUS affections and SCROFULOUS diseases generally. The success which attends its use in these inveterate diseases has no equal. It is now used in these diseases with complete success, where all other means have failed. Two or three bottles will satisfy any one of its great curative properties.
HIP DISEASE and WHITE SWELLING, ULCERATIONS of the BONES, MOUTH, THROAT, &c. Its beneficial and healing characteristics are soon observed in these complaints. No matter of how long standing they may have been, they will yield to the proper use of the IMPERIAL DEPURATIVE in a short time.
TETTER and SCALD HEAD will as certainly yield to this medicine as it is used. Diseases of the Skin and all eruptive complaints generally cannot long remain after using a few bottles of the Imperial Depurative.
Its Tonic properties, as well as Alterative, render it valuable to weak and delicate females.
The great purity, strength, and value of this Family Medicine is unequalled in the cure of all diseases originating in an impure condition of the blood. It expels all the virus or diseased matter from the blood and reinvigorates the system.
Those using the Imperial Depurative and wishing advice in their case, will receive every attention by letter or otherwise.
Prepared and sold by Dr. LOUNSBERRY & CO., No. 50 North FIFTH Street, below Arch, Philadelphia.

ANALYSIS OF LYON'S CATAWBA BRANDY by
A. A. HAYES, M. D.,
ASSAYER TO THE STATE OF MASSACHUSETTS.
GENERAL CHARACTER. A light-yellowish brown-colored spirit, having a fragrant odor; when evaporated from clean linen it left no oil or offensive matter. Analyzed for volatile and fixed drugs, of which no traces of any kind were found. Its color is proven to be due to a colored resin an extract derived from wood.
☞ In every respect it is a pure spirituous liquor, the fragrance or bouquet which it possesses can be isolated, and it then appears unlike that from Cognac Brandy or Wine, being a fragrance resulting from a peculiar fermentation of Catawba and Isabella Grapes.
CHEMICAL CHARACTER.—1.* parts in volume of this spirit contains at 60 deg. F. 46 2-10 parts of pure alcohol, besides the fragrant oil. 1,000 parts of the spirit afford 23 parts of a strong solution of the oil which characterizes this Brandy; the spirit left, after removing the oil, is pure and odorless, and in all its qualities a perfect spirit for use. One U. S. gallon of this Brandy at 60 deg. F. contains, besides the spirit and oil, only 220 grs. of matter composed of extract of fruit, gum, and colored resin from wood.
BOSTON, January 25, 1858.
Dr. COXE, State Inspector of Ohio, and Dr. JAS. R. CHILTON, Chemist, of New York, both pronounce this to be pure Brandy, and free from all adulteration.
For Medicinal purposes Lyon's Catawba Brandy has no rival, and has long been needed to supersede the poisonous compounds sold under the name of Brandy. As a beverage, the pure article is altogether superior, and a sovereign, sure remedy for Dyspepsia, Flatulency, Low Spirits, Languor, General Debility, &c., &c.
Also, ESHELBY'S STILL AND SPARKLING CHAMPAGNE.—These Wines are made in the neighborhood of Cincinnati, and are guaranteed to be the Pure Juice of the Grape, and are eminently calculated for invalids and persons who require a gentle stimulant, and for Sacramental purposes.
Retail price $1.25 per bottle. A liberal discount made to the trade. Dealers will please send their orders to the "Sole Agents" for the State of Pennsylvania, A. F. HAZARD & CO.,

HOBENSACK'S IRON BITTERS.
This Medicine, as its name implies, is one of the greatest strengthening preparations extant. It is especially adapted to those who have a loss of appetite or are afflicted with Dyspepsia, Liver Complaints, Piles, Nervous Debility, General Weakness, and all diseases arising from a disordered condition of the digestive organs.
FOR FEMALE COMPLAINTS GENERALLY
there is perhaps no medicine in the world equal to it, as it enters, purifies, and replenishes the blood which is so important to bring about a healthy action
THOUSANDS ARE LIVING
a miserable existence, of a pale sickly color, weak and emaciated, who could be restored to health by the use of one bottle of this invaluable medicine. It is no humbug, but a genuine remedy, being free from any thing that is of an injurious nature.
FOR ALL DISEASES OF THE BLOOD
there is no better antidote than Hobensack's Iron Bitters. When the blood is impure the whole body is full of disease. Blood letting may answer for a time, but cleansing a part will not purify the whole. At the fountain we must begin, and to cleanse the blood there is no better remedy than these invaluable Bitters. Their chief constituent is iron, and we all know its efficacy in removing the impure matter from the whole visceral system. They are prepared by a practical chemist, and have been pronounced, by eminent physicians and others, as the "ne plus ultra" of all tonics.
HOW GRATIFYING
to the proprietor that he has succeeded in compounding a remedy for many of the ills that his fellow-mortals are subject to; and that the public appreciate it is not a question of doubt, but a fixed fact, as the demand for it has far surpassed his sanguine expectations.
READ THE TESTIMONY OF A WORTHY CITIZEN.
This is to certify my wife was in delicate health some three years, with a disease peculiar to her sex. She tried numerous remedies without deriving any benefit. Hearing of Hobensack's Iron Bitters, and knowing iron to be a powerful tonic, induced me to obtain a bottle, which proved to be the medicine she solely required, by restoring her to health. She hesitates not to recommend it to those who are similarly affected, as she believes it to be a sovereign remedy.
