The passage across the Isthmus of Yehuaniepee was made in forty hours. its citizens, or it is not. If the latter be true, it is time it were so declared; but if the contrary, then the wrongs and blood of our people, which Later from Havana--Arrival of the Black

clamor aloud for vengeance, must be heeded. It will not be tolorated that, as in other Presidential messages, they will be given the go by with finespun rhetorio and specious generalities. Something more than that will be demanded, and must be The heath of Hawana was good, in the control of 60,060 beinghtfil. The stock of augar at Hawana amountel to 60,060 beraa, and at Matauxas 5,000 bers. The priors had incrored. The Hawana market was overstocked with fish, onlons, and polatoes from the United States Vessels of all nations were arriving at St. Thomas in various coolitions of damage. Fxchange at London was quoted at 144 per cent promium; at New York \$4 ditto, and at New Orleans 54 ditto. bestowed. Commissioners, Cabinet couriers, ministers messengers, &c., have already run up a sum equal to, if not more than any indemnity we may receive prior to the Day of Judgment; We can here take an example from our hated rival, England, and our ancient ally, France. In the by ditto. Freights at Havana had not improved. Freights at Havana had not improved. The American ship Hessenger, with coal for the Pa-ruguay expedition, had put into St Thomas with loss of main and mizzen marks Cagliari steamer affair, England asked from Naples, and received at once, reparation for outrages committed upon one or two of her subjects. She did not wait as long as Miller has already waited

The "Walker Emigrants"-Grounds on which a Clearance has been Reinsed to the Alice Painter. for the massacre at Jeddah. Mr. Buchanan will give Kanses a paragraph in

which a Clearance has been Reinsel to the Alice Painter. Washingroy, Nov.'21.--It appears that Messrs. J. Heavio & Gompany, of Mobile, made application to the collector of that port for a clearance of the barque Alice Painter, with provisions and presenters for Greytown. The earge consisted of four-port, beer, sugar, 'do,' and 'agricultural and mechanical imple-ment's, with a flow articles of household goods. Be-tween threes and four hundred men. calling themselves emigrants, wors ready to embark, with a view, it was stated. of bedoning resident citizens of 'Niearagua. The collector lownod from, a quarter not liable to be miundershocd, that the persons who proposed to emi grato by the vessel were furnished with persports from Secor. Yris arr, Envoy Extraordinary and Minister Plenipotentiary of Nicaragua. The notice of the clearance of the versel was given by General Walker. From what can be gathered upon the subject, the Treasury Dopatiment has no doubt that the persons who were concerned in the equipment, loading, and clearance of the Nashion in the year 1857, (November,) at the port of Mobile. What subsequently transpired was wholly inconsist-eut with the truth of the representations at the time made to the collector As arms and ammultion In large supplies were landed with the carge in Nicara-gua, it clearly appears that false maniform and its also appears that false maniform as do the theory and the subsequently transpired were work were and the motiform house; and second; that it was do not the presentation house; and eccond the state and for the theory of the outle of the state and its also appears that false papers in traited to end the state of the translible condition to the down the theory of the ender of the voyage. These fact earry with them the irrestible condition, first, that the appdi-tion excarde by false and deceptive profes the curve was doner house; and eccond; that it was (in violation of the Nates, to be curried on from their territy and Jaris diction. f a mysterious and sphinx-y nature, endorsed by votes drawn from sly candle-boxes. What a pily

and honest, and will continue to think of these things! Hore is an amusing on dit: A politician a few days ago inquired of a statesman of reputa, "What, sir, has this Administration dono?"

"Oone' it has dono what was thought impos-ble," he replied. "Why, my dear friend, it has made Capt. Tyler's Administration respectable !" OCCASIONAL

Reception of the Hibernin Englue Com pany in New York. Brom yesterday's N. Y. Herald]

are the same as those now presented to obtain oterance for the other. It is a significant fact, that there has any eared in the newspapers, a circular-letter identical in its language with those of General Walker. Both of them invite emigrants to come to Mobile. They repeat of sascola-tions having been formed in this country to colonizian foreign State, without any concurrence or sanction of the subortities of the State, or any communication with them. When it is known under what amples these sas-cocantions:

constitutes have osen formen, their design appears more conspicuous: This expretary of Stato, it appears, loquired of Souor Triast, whether he had given passports to the emi-grants, and found the fact to be otherwise than believed by the collector of the port of Mobile. None's such have here issued under his authority, or within his informa-tion. If persports have, been shown do the collector, the fact furnishes another encounts ance to make him distrust the good faith of the applicants. In fact, it
