CHESTNUT GROVE WHISKEY.—A devaire to lesses the consumption of impure spirits, knowing their injurious effects upon the constitution, has induced the offering to the public of an article which the analyzation of Professor Obliton, Analytical Ohemist, of New York, and Messrs. Booth, Garrett, & Qamao, of Philadelphia, proves, beyond all question, to be the most pure and consequently least injurious spirits ever offered the American publio.

I have analyzed asample of Chestnut-Grove Whiskey, received from Mr. CHARLES WHARTON, Jz., of Philadelphia, and having carefully tested it, I am pleased to state that it is entirely free from poisonous or deleterious substances. It is an unusually pure and insense duality of Whiskey.
