abetting in his death." THE CENTEVILLE (Qacen Anne's; termity, Md.) Tomes says: We learn that the estivisoum wheat, as a general thing, in all parts of the county, is very full of the fly; almost every stalk in some fields sown very early being evidently affected. A gentleman informs us that on making examination in a field sown about the middle of September, he found as high as five and six in every stalk that he, pulled up. The late sowirg looks very well and does not show any indications of the fly. CALIFORNIAN VICTORIZED — A returned Co-

CALIFORNIAN VICTIMIZED .-- A returned Ca-CALIFORMAN VICTIMIZED.---A Fourned Ca-lifornian at Albany, almost immediately on his arrival a few nights since, made the acquaintance of a young lady with blue oyes and a far cape. Young lady invited him to see her home, and take tea with her. He took tea with the young lady, and started for hotel. Arriving at hotel he found that a wallet containing \$500 was missing. He also admits that he "has seen the elephant," and does not wish a partner.
