| at \$10,000. The filter lank book a state of my cash had been stated in y cash had been glanged, and found in a cash state of my cash had been glanged, and found in a cash state there was an increase or one a land a control of a cash stated been stated in the state of the state | now been brought to a close. When in September of 1857, it was announced to the public that the largest banking isstitution of our city and of our flate had failed, it was not remarkable that those interested in this institution, those whose properly had, by scalare of this kind; been swept away and pethaja come of whose households had 'this bed'n desolated, should look around in Astohitament and ask for an explanation of the manuer in which this was brought about. It did so happen, as we all know, that this question was principally narrowed down to the sets of those who were most scitted in taking an interest in the proceedings of this bank at, and immediately before, the time of its failure. These two individuals were, of courie, gontlemen at the head of this institution, and one of them a director, the ha in made himself must preminent in its operations. Public opinion pointed to them, and it was for this reason that the District Attorney, in the discharge of his official duity thought proper, and properly as heaght, that his official duty called upon him to make such an investigation of this whole matter as thould, if possible, settle the difficulty which appeared to exist with regard to this iost, studien in the public mind, and to ascertain whether there had been such a violation of the laws of the land as it would by his duity to indictment which is now before you to be sent to the Grand Jury; a true bill was found, and after passing through one or two preliminary examinations before coining to trial, it is now before you, and you have heard the evidence bear long upon it. As has been said by the District Attorney, the laws of this State do not provide for any criminal proceedings in matters of breach of trust. You have heard, and recent this rings and recent trinsiances have come to us in which severe penalties have followed on conviction.
