SOMETHING NEW .- GAS BUR

SOMETHING REW.—GAS BURINING GOOK PROVE.—I would respectfully call
the attention of the public to one of the greatest
improvements ever intreduced in Cooking Stoves
and Ranges—the burning of the gas arising from the
oat, by which means is saved 60 per cent. in fuel and
also more intense heat thrown to the bottom of the
oven. We effect the burning of the gases by means of a
hollow centre-plece, perforated on the under side, which
admits the air in a heated state to mingle with the
gases, thus adding its combustion, and canning a flame ases, thus aiding its combustion, and causing a name op pass around the oven equal to a wood fire. This improvement also preserves the centre piece from winking town on the fire, thereby saving the expense of repairs. Jie of the Stoves CAN BE SEEN IN. OPERATION to 1116 MARKHY Street. CHESTNUT GROVE WHISKEY.—A deloss of the consumption of impure spirits, throwing their injurious effects upon the constitution, has induced the offering to the public of an article which the analysation of Professor Obliton, Analytical Chemist, of New York, and Messrs. Booth, Garrett, & Camac, of Philadelphis, proves, beyond all question, to be the most pure and consequently least injurious spirits over offered the American public.

OERTIFICATE OF DR. JAS. R. CHILTON.
I have analysed a sample of Checkut-Grove Whiskey, received from Air. CHARLES WHARTON, Jz. of Philadelphia, and having carefully tested it, I am pleased to state that it is entirely free from poisonous or deleterious substances. It is an unusually pure and fine flavored quality of Whiskey.

Old No. 76, new S28 WALNUT Street.

Snider's Wines were always pronounced by good judges to be unsurpassed, and were in reality superior to any in the market. Part of the olds cock I have yet on bend, which consumers would do well to try, now that the market is overstocked with adulterated liquors for to sell during the Christmas Holidays.

Wines and Liquors sold by me, if unsatisfactory, can be returned.
