I have the owner of the factory is the dwollang the owner of the factory. The dwoll of the factory is the south of the souther was the factory is the dwollang the factory is the factor is the factory is the souther was the factory is the facto quiet consciousness that we could not be taken in by any such sloty. We regarded it as of a plede with new found morality in old politicians, with the thousand annual gumors of some heaven dawned virtue in Wachington City a mere de-vice to catch the credulous. But, day by day, the clatter grew. Indeed, we surprised ourselves with a cost, sewed in fin-portant, respects by machine. We saw linen pyra-inde of sheeting made, for hotels and stamboated by sevine-machines.

mids of sheeting made, for hotels and staamboats by sewing-machines. The osse was growing serious, indeed; and; at last, it came to a head, when the head of the family informed us that a woman was to come, in a few days, with her Wheeler and Wilson, and do up the family sewing. Of course we submitted without a word. And the three capable persons, of this household began to propare matter for the machine to an extent which showed how perfectly they had been fooled by the story of its executive ability. Piles of large stuff lay in each corner; little stuff covered the table; and miscilaneous stuff lay everywhere. We ran against button heaps, were in danger of, getting tangled in webs of linen and sheeting at every turn, and such rip-ping, and tearing, and outling, and histing as went on wordd lead one to imsgive that at smy was to be clothed.

r. Sumpra loss is covered by insurance. It is very difficult to oblain a correct estimate of the ss, but it will doubtless, resail 560,000 . Mr. Surna'! ock was heavy, and his mischingry was valuable. The . we here is complete jack if will probably resail 500,000 is believed that this loss is covered by insurance in he Hartford and other differs. It will so contiderable, however. 'He is fully insured.' Mr. hand Ellis was the surnar of the factory build. war to be clothed. The day dawned. The woman came, and the iron Wheeler and Wilson came with her, only the lady had to act as beau, and offer her aid to wait on Messrs. W. and W. After a little, there arose a hun from our chamber, not unlike the burs of a wheat-mill, such as we have heard in summary, sitting under willow trees on the edge of a stream, over sgainst a red mill. white dusied. Soon we heard excited exclamations. Everybody second stirred up. The girls left their work; the children forsook their playthings, and we followed the ex-ample. was to be clothed. Mr. Amos Ellis was the owner of the factor gs. His loss was estimated at about \$10,000 ally covered by insurance. The alarm wis not communicated from the State Guide very promptly, and soon after the bell had from tor the first spearal alarm me ardered. This result is for the first spearal alarm is ardered. This result is for the spearal alarm is a star for any to the immene superiority of the stars for any insu-res demonstrated at this configuration. Although they
