## AN INTERESTING MISSIONARY BI AN INTERESTING MISSIONARY BIOGRAPHY by the Rev. Dr. OUMMINS. Just Published— THE LIFE OF MRS. VIRGINIA HALE HOFFMAN, late of the Protestant Episcopal Mission to Western Africa. By the Rev. George D. Oummins. D. D. Rector of St. Peter's Church. Baltimore. With a beautiful engraved Potrait One volume. Jumo. In plain cloth, 75 cents; in full glit, \$i. Extract of a Letber from an Office on board the United States Squadron. Coast of Africa. "I was stome, at the Mission, the portrait of Mrs. Hoffman, the wife of a missionary who once was also itoued there. She came out young, beautiful, and good, one of God's fairest and best creatures, with the determination to devote her life to the improvement of these poor heathen. And so she did—and is she died. Only a few years after she arrived she was seliced with the fever, and perished I stood and gazed at her picture for an hour, and could read her history in her face. All that was feminine, delicite, refined, retiring, and lovely was expressed in her sweet, soft eyes; and about her mouth there was such an expression of will, firmness, and undying resolve, that you could not help thinking what a perfect character for a missionary to Africa." to city-telegraphing at home. We have previously alluded to the local or city telegraphs which circulate messages over New York, and to the telegraphic communication, for police and fire business, in this city. There are some private telegraphs, however, worthy of notice. In New York, for example, there is a line of telegraph between the manufactory of Mr. RIGHARD HOE-he of the "Lightning Printing Machines" (now to much in demand in England, that he has them made at branch and his own office of business "down town."
