The Imperial Depurative, prepared by Dr. Lounsberry & Co., is now soknowledged as the principal Family Medicine for the cuite of Chaugenous affections and Schopuloud diseases generally. The success which sitends its use in these involvant diseases has no equal. It is now used in these diseases with complete success, where all other means have failed. Two or three buttles will satisfy any one of its great curative properties. Hip Disease and Whits Swelling, Ulossatiohs of the Bosse, Moura, Tradat, &t. Its beneficial and healing characleristics are soon observed in these complaints. No matter of how long standing they may have been, they will yield to the proper use of the IMPERAL DEPURATIVE in a short time.

TEXTER and SCALD HEAD will as certainly yield to this medicine as it is used. Diseases of the Skin and all eraptive complaints generally cannot long remain after using a few buttles of the Imperial Depurative. Its Tonic properties, as well as Alterative, render it valuable to weak and delicate females.

The great purity, strength, and value of this Family Medicine is unequalled in the cure of all diseases originating in an impure condition of the blood. It expels all the rivus or diseased matter from the blood and reinvigorates the system.

Those using the Imperial Depurative and wishing advice in their case, will receive every attention by ster or otherwise. Leave Gremanown 8.20 min. A. M., 1.10 min., 5% P. M.
