little parallelism. Paris, which is over a thousand years old, is a very different city from whose illustrious name the new city received, personally officiated. As a good Free-mason he did his work, " by line and rule," in a mastorly manner, and then, as on all occasions, In public or private, acted "upon the square." It is impossible to say, with adherence to them all "within the compass of a summer's). day." Now, in Washington they lie within rearally, though not always, wide streets, finely consisting of stately stone houses, the ground story of each being usually converted into shops or restaurants, or cafes. You stand in the Place de la Concorde, the Obelisk of your right lies the Garden of the Tuileries, and the Palace, now united to the Louvre. <text><text> The Rue de Rivoli, now the most handsom street in Europe, forms the outer boundary of

es been made; but there is ver modern Washington, which became the me-tropolis of the United States in 1800, and was tabticity commenced, as to its buildings, so. lately as April, 1791-the consection of the control is of the Senate. Is divided on this question; Mr. Bendall carnest in its behalf; Messrs. Wright of data are stated a young desperade, named Alexacder Cross, and were taking him to the statien, when he draged and Marsoil opposide of present action, but not lately as April, 1791-the consection of the control is of the of the states of the control is of the of the states of the control of the control of the states of the c In Jub, and the province of the second joint is great width and domain on s. And, as Dublin is montioned, it allows to the second joint, set of the second joi the truth, that Pennsylvania Avenue, with its | City (Fittsburg) vs. Country-at least, such was other. In London, in Paris, in Vienna, in Na-ples, in Brussels, in all the great cities of the old Mr. Smith, "An act to incorporate the Warwick world (St. Potersburgh. excepted.) the public Manufacturing Company." Wu. Thompson, Chas. buildings are so much scattered about, that it is Harris, J. A. Wharton, Wm Warwick, David M. quite a journey to get even a transient view of them all "within the compass of a summary a sonable contiguity, yet not so close as to dwarf one by comparison with another, its noighbor. The Boulevards which form a circle around necessary. Capital stock \$300,000 Shares \$50 what may be called interior Paris, are gene- each. Under management of five directors. Charmacadamized, well shaded with trees, and Luxor, (originally erected in part of the great Temple of Thebes, by the Great Sesostris, ker, Benjamin R. Williams, Mordecui L. Dawson, over 3400 years ago,) occupying the spot, it P. Jenks Smith, Joseph Karns, Wm. A. Crabb, is said, where Louis the Sixteenth was guil. John Muster, Jr., Stephen F. Whitman, John Bos-lotined. At your back, on the other side of the ler, John Atkinson, Alfred C Hosmer, Morton Molotined. At your back, on the other side of the lot, John Arthush, and A. C. Garvin, are Scine, is that stately building, the Ohamber of Deputies; on your left, stretches the long aronne of the Champs Elysées, with the fa-mous Arch of Triumph at its extremity; on investigation of the Champs of the Wildelea

al. tool degrees of defence and attack, and may be re garded as undergoing a siege, the sequel of which, we think, will be its passage. Your delegation The discussion on the motion to postpone the consideration of the Fayette County Railroad supplement occasioned some faeling. The Alle-gheny Senators favored postpensment, and put forth some very sensible remarks on branch railroads diverting capital and otherwise exhibiting the folly of attempting to do what natural obsta-cles render impolitio and unprofitable. It was Manufacturing, casting, and working iron and other metals, crecting and constructing buildings, ter to continue for 20 years. Mr. Church read in place "An act to incorpo rate the Northwestern Saving Institution of Philadelphia." Edward C. Markley, Edward Harris Miles, Daviel B. Boitler, John Thompson, (Alderman), James S. Twaddill, E. P Middleton Robert Morris, Wm. H Kerns, Isaao M. Ashton, Twelfth street. Mr. Thorn presented the memorial of F. Knox forton in reference to refunding certain moneys paid to the State Treasurer. His figures are as

not only to make it a ion of all the known trees, plants and shrubs, but to include in its objects a full course of instructions in all matters relating to agriculture.

 between himself and Dornan; with sees admitted he had intuited Mr. But'er, but did not recoilest what it was about juit not recomber any min who offered to vote-libing charged with being from Baltimore He was asked other questions concerning persons whom he is obtarged with having brought up to vote. He spid he dould not remember the circumstances.
 Mr. Mann proposed to open the baltot boxes to show that the oaths of the cifcers of the election had not be could not remember the cifcers of the baltot boxes to show that the oaths of the cifference. After-a loog argument the songht of piper pro-duct of the Costs was brought in hy Joseph Grookstt, elert of the Costs was brought in hy Joseph Grookstt, was the string. them till thöy reached a score ratical, when he returned home. CONSIDERABLE whaling business is done at Monterey, California During the past fire years, eventy, threa whales have been killed there, which produced seventy seven thousand five hun dred and fity gallons of oil, worth \$55,000. There have been about fifteen men engaged in the busi-ness until last year, since when others have gore into it with good success SOLDERS ON THE ICE.—In Quebee a few days ago, the 30th Regiment turned out in full force upon the St. Lawrence, and performed all the light infantry evolutions consequent on the dorps acting as skirmishers thrown out to cover the advance of a brigade across the from surface of the river. The effect is desoribed as very plo-ture que

oter of the Court of Quarter Sestions, and the sar-gent at sims. Mr. Grockett testified that he had received the boxes from the Court of Quarter Sessions, and that he pro-duced that at he had received them from the court The boxes were then opened, and Mr McMallin was again called to the stand and his cross-extaination was resumed. The papers were exhibited, and they proved to have the signiture of the witness. to them, but no formal certificate of the calt. There is no date upon the papers. The commit estiguing, to meet at the same place this morning at 9% of cick. ANOTHER TIPO GONE.—George Hilmer, an old geuteman verging on 80, died suddeuly, on Satar

A SERIQUE ACCUERT. - About nine o'clock on Saturday morving a gentleman named George Wat-son, wille attempting to juinp on the cars of the Read-log railroad, as they were passing over Columbia bridge, was ron over and severely injored. His head was greatly jarred, and his arm severed. The sufferer was removed to the Peunspirania Horpital. The sufferer was amputated on Saturday atternoon, in the Hospital. His situation is very critical. FREE AGAIN. - Mrs. Fagan, tho lady-whose name, has been prominently before the public lately, has been released from prison lately. On ball. Her former ba'l, it will be remandered, surrendered her for suffy; suffy; the general series of her ball has been procured, and she is free once more, until such time as our courts may desire the pleasure of her company. Susprotous. - William Miller was found on wriday evening serreted in the garset of a house, is Bt.

and the provided up his arm, causing death on the 5th ult.
THE MARION, Smyth county, Ya., Visilor,
Says that Wm. R. Wright, having lived there six of the server of the ser

unexpired. ALL 'MTE PUBLIC CLOCKS in the city of New York were stopped Friday. The reason assigned for this step is that Mr. James M Thompso, su-perintendent of public time, has been refused the necessary sulphate of copper to keep the clocks in proper regulation. FRANK BUCHAMAN, postmaster at Beverly, Wisconsin, arrested last week on a charge of rob-bing the mail, has had an examination before Judge Miller, and in default of 33,000 ball, has been sent to the Dane county jall to await his trial for the ufforce. CARRIES HER FORTUNE.—One of the guests at a late brilliant party in Washington city, a Mrs. P—, of New York, is said to have worn gens worth fully \$100,000, and soveral others were decked with fortunes in this attractive shape. MOYAMENSING SOUP. SOUETY.-There was disponded by this society, last month, 1,800 hs of corra meal, 2,000 loaves of bread, and 200 gailons of soup.

THE COURTS

SATURDAY'S PROUBNDINGS. [Reported for The Press]

LETTERS FROM UTAIL SAT AUTON of A strategy is finely housed in winter quarters at Camp Floyd. The camp presents quite a city-like appearance. The houses are built of adobes (sun-dried bricks), and are laid off in streets and squares. SUPREME COURT-Judges Lowrie, Wood-ward, Strong, and Reed.-This court was engaged in the hearing of appeals.

are laid off in streets and squares. A printer, named Hewitt, has been strested in Louisville, Ky., on a charge of throwing the forms of Young's Spirit of the South newspaper and all the types in the office into "pi," and breaking the press and other material THE BELL.—The Wheeling (Ya.) Times says: "The new bell for the cathedral has arrived in this city. It is a monster of its kind, weighing some 3,400 pounds, and quite a fine specimen of casting." THE DETROIT Tribune says that out in Mi-
