The Opposition Convention of Kentucky have ated Joshus T. Bell for Governor, without a ting voice ; Alfred H. Allen for Lieutenant Governor, and James Harlan for Attorney Getornatio distanti and the state of the state

State Lunitic Hospital, at Harrisburg. The eighth annual report of the trustees of this institution shows that it is in a flourishing condition, and rendering great service to the afflicted beings confided to its care. The total number of patients on the Sist of December last was 267, of whom 150 were males and 117 Last was 207, of whom 160 were make and 117 females. The total number of patients that have been samitied aince it was, first estab-lished is 1049, of whom 782 have been dis-charged. Of the latter, 174 were restored ; 184 were improved 277 stationary ; and 147 didd. Eight hundred and nine of the patients wore born in Pennsylvania ; 22 in England ; in Scotland ; 94 in Ireland ; 68 in Germany ; 18 in Wales, and nearly all the others in our stater States... The classification of the causes of insanity is incomplete, because in 542 cases (more than one-half, of the whole number of patients admitted) the anthorities of the Jos-stal were not informed of them: Pitty three Mr. NUGERT is an Administration Democrat ; but he is one of the very few honest friends nals, and Sf female patients lost their reason the President has in California, and for this angle domestic troubles; 105 cases were reason is, we learn, as bitterly antagonized by detern by in manual of by spinorer, at by intemperance, a considerable number by other physical causes, and the mental agent class of religious excitement, permisey diff-cally, mortified pride, novel reading, anticity, spiritualism, and Millerian, have all contribuof 1856.

" Powerful as are the agencies now at work in all parts of the country to advance the cause of the Mount Vernon purchase, we have the opinion that ted to swell the number of inmster of the hosthis valuable journal-the Mount Verson Re-The terms upon which public petions or those supported by local anthorities, are admitted are \$2,50 per week, which in tefulness as an auxiliary instrumentality toward acilitating the work of the Ladies' Association. cludes the price of board, washing, mend-ing, and sitendance. Private patients, sup-This publication commonoed in July last-lis first number containing sight pages. The eighth num-ber, for February, comes to us with twenty pages, wherein we find another stirring appeal from the Remark & San III souther stirring appeal from the ported by themselves or friends, are charged from \$8 to \$10, according: to the trouble and expanse incurred, and their pecuniary ability The words of the institution appropriated to make patients are now completely dived, to egent; a fine illustrated article o and other most interesting matter, together with a vast array of names of generous contributors but vacancies are left for thirty three more tenale patients. Under the provisions of the Journale patients. Under the provisions of the law, the indigent issues are always to have the preferences, its obtaining admission into the forpith! Recent capes, are to be increased halows there of long standing, and the num-ber from the different counties is to be in the ratio of their instance population. The hospital has exploritly accomplishing a vast deal of good. The misser, that has been cause to the other counties the two was provement. The overtures and other pieces were given with a precision and spirit rarely attained by simulation. The attractions of the evening were greatly enhanced by the vocal efforts of two of our vast deak of good. The minery that has been cruesed in this Obsained weath by the want of some such retuge for the indigent insane is the such retuge for the indigent insane is been compelled to suffer interview goony from the want of proper attention, but their fami-tion your ladies uniting such charms of voice has have been kept in a state of life-iong suspense and univery and their happiness has been completely blasted. The superintendent of the institution in his report to the function, says special striss inpon a subject which deserves close atten-tion. We allow the the foreing system of

education, which seeks to make mental paraadneatics, which socks to make mental para-gons of the young children of the Uomnum-wealth, even at the hazard of dwarfing their physical natures and destroying shelf vitality. He syldently regards the prevailing main for imposing a your young children too much study, and sking them too little exer-diastic to much admired for clearness and beauty of design to much admired for clearness and beauty of design to much admired for clearness and beauty of design to much admired for clearness and beauty of design the most active again. cise, is one of the most active agan-cies in producing issenity. more than the profound philosophy of the The Paraguay Expedition. Washington Union, to prearrange the details or to clear away the mystery which has setfled like a thick cloud before the gates of the

The Paraguay Expedition. FLAG SHIP ST LAWRENCE, Off Montevideo, December 13, 1858. SIR: Herowith I enclose a letter from Lieuten-ant Aimy, commanding the steamer Fulton, re-porting his strival at this port on the 7th instant. The steamer Water-Witch, Lieutenant Command-ing Pegram, arrived on the same day. The stors-ship Supply arrived on the same day. The stors-ship states for Baenos Ayres. There are how in this port, besides the flag-ship St. Lawrence, the sloop Falmouth, brigs Perry and Bainbridge, and steamers Fulton and Water-Witch. The two last have been detained here undergoing some slight repairs, which faithed thoy will proceed to Buenos Ayres. All well in the squadron. By a letter from Commander Sleedman, from Baenos Ayres, the strival to be ats. Catherla's coal-ing. The Sable has not yet arrived. hture. Meanwhile, let us watch and pray. The offer by President BUCHANAN to the Hon. John Nugent, of California, of the important mission of Bogota, was a handsome ecognition of the able and satisfactory manner in which he discharged the important duty of settling the difficulties at Frazer's river, and especially his successful negotiations with the celebrated Governor Douglas. Mr. Nu-oran has declined the mission to Bogota, and will soon return to California, to reassume Isrriet Lane is said to be at St. Usturing a con-ng. The Sabine has not yet arrived. I have the honor to be, very respectfully, yours F. Formesr. personal supervision of the San Francisco Herald, of which he is the owner and editor.

BY TELEGRAPH. the custom house officials as if he had committed the sin of being in favor of the pledges PENNSYLVANIA LEGISLATURE.

HIRRIGEURG, Feb 23. BENATE. A communication was received from the Auditor deneral in reply to a recolution asking whether the renspivanis and other railroad companies had paid the tonnapterization of the Pennsylvanis, Harrinburg and Lancaster, and Northern Central roads. All of the Lancester, and Northern Central roads. All of the companies in the State were reported in arress. The following bills were reported favorably: An soft relative to fees of aldermen and constables in criminal and penal cases in Philadelphia. An soft to amend the defects in the law, and for the more safe and just transmission of real and personal

and a state. An sot to empower the judges of the Courts of Com-non Piess to establish a tariff of fees in equiry cares An sot relative to passerger railways in Philadelphia. A resolution requiring railroad companies to make an innual report, to the Auditor General of the State, of their finances, &c. An act to incorporate the Delaware Passenger Rail-way Company.

Valley Forge,

An act to incorporate the Delaware Peasenger Hall-war Company. Bir. Mit.Law read in place a supplement to the act to regulate banks, and to increase the penilty for pass-ing small notes of there flates, from \$25 to \$50 The bill relative to evidence was discussed at length by Messre. Bell, Faluer, and Herwor, and was sill pending when the Senate adjourned to attornoon. AFTREMOON SISTON. The bill relative to fees of sidermen and constables in criminal cases in Philadelphia was passed. The bill to incorporate the Union Hallroad Company of Philadelphis passed a first reading, and was laid over. The Amateurs' Philharmonia Society gave their third grand concert last night, at Musical Fund Hall, under the direction of Carl Sentz, assisted by a fair sprinkling of professional talent. We congratulate them on their rapid and marked im-

After passing a number of private bills, the Senate 

Various only were read in place, but they possess no general interest . On motion of Mr. Ansovr, a supplement to the act suthorizing the sale and purchase of the Falls of Sobuyikill bridge was taken up, and passed a floal reading reading. On motion of Mr. CHURGH, the sot to incorporate the Philadelphis and New Orleans Stoam Navigation Com-pany was considered, and passed a second reading. Mr. HARDING moved to postpone the bill, and have it writed. port two young ladies uniting such charms of voice and perion as those above named. The society

pany west considered, and passed a second reading. Mr. HARDING mored to postpone the bill, and have it printed. Messrs. Oburch, Hamersier, Thorn, Walborn, Neall, and Fisher opposed the postponement. The motion to postpone was not agreed to, and the bill passed finally. A communication was received from the Governor re-turning the bill incorporating the Franklin Market-house Ournapy, at the request of both houses. On motion of Mr. THORN, the House struck out the objectionable features, and the bill was gain passed. The resolution to adjourn sins die on the bill day of March as twas passed. The private calcodar was then taken up, and con-sidered up to the hour of Molournment A resolution of private bills. The House met at three o'clock and resumed the consideration of private bills. The following were passed finally: A nact to incorporate the Jine Strings Institution of Potterills. An act to incorporate the Yairmonnt and Mausyunk Stamboat Company. An act to Incorporate the Yairmont and Mausyunk Stamboat Company. and the applause that welcomed their exertions. Cotton Ship on Fire. NavORLMAR.Feb.21.-The ship Mary Adeline, of Thomaston, Maine, caught fire about 0 o'clock to night, among the cotton in her hold. The firemen are hiling her hold with water to extinguish the fire. They will probably save the ship. She had 2,030 balas on board, sod was loading for Oork, Ireland. Naw ORLYANS, Feb.23.-The ship Mary Adeline was still burning at moon. Her cargo will be mostly lost. The cetton is insured in France, by the Lecesan com-pury. The vessel is partially insue da at Thomaston, Haine. Two firemen and a nigro wase flowmed. En-dearors to sink the ship have thus far proved fraitless. The ship is burning in the batwen-deaks. Kentucky Opposition Convention.

Louisville, Feb. 22. The Oppesition Biate Coven-loa to day nominated Joshna F. Bell for Goremon isbank adisenting roles Alfred H. Allea was nomi ated for Licuterant Governor, and James Harlan fo Norrhy Guesral Great enthusism and manimity tera led Sau Francisco Marine Intelligence.

Green meant that when he received authentic lofor-mation of the parsage of the act, he would introduce a bill to repeal it Mr. Guszu said, if he could protect the property of his constituents in no other way, he would bring in such a bill, and would appet to receive Mr Dorghars vote on the strength of his Buingfuld operch. Mr. Masox, of Virgicia. balf fouldy hoped that the Nebraska Kanash bill, by which the Senset had made a concession, would have settled the slavery creasing. But he was ministherm-he would not say declared. The South, he said, had reluctantly acquiesced in the more-ment with the Democrats of the North to estile the question. He would a great to discuss and ap-prove the decision of the Supreme Gourt is the case of Dred Scott. He did not say decised. The edit not believe that the Kanas-Kobrata bill grow them an independent power. The Senator from Virginia then give his ideas as to the rights of the Popel of the Territories and of the Suprise of the Receipt of the Territories and of the Suprise the Blatce. The right of property is recognized in the former, but the Inhabitanti of a Territory are unknown to the Coostitution. Congress cannot divest tuell of the power over the property of Territories, but it can grant them nothing. Routh of the old Potomag river to the confines of Mexico there is not one dissective to the confines of Mexico there is not one dissective to the souther of the suprement of the souther to the southers of the Hostituition. The South would be recent of the forting river its power over the property on territory or the old Potomage river grant them nothing. Bouth of the old Potomage river to the confines of Mexico, there is not one dissocileat voice. The Bouth would be recreant to itself if it would give one voice in favor of its rights being taken from the Constitution, and remitted to the pleasure of the people

Constitution in the first term is a subject to the people temporarily in the Territories. Mr. Davis took an animated part in the debate against Mr. Douglas, who, in the Kanas. Nobraka buil had made a great error, and drawn the Senate into a stread arrest.

Mar have be served as a serving it won't do the read Mr. Douglas resumed, saving it won't do the read him out, because they had failen from the faith. There is no middle ground. It is either intervention or non-intervention.

Mr. Gwin, of California, said if the Senator from Illiber Gwift, of Okitornis, with it in Schnatter iron ith nois had given the same interpretation to the Kassa-Nebraka bill, when it was before the Schnatt, he [Mr Gwin] would not have voled for it. He believed that three avound him would not When the Scenar pro-posed to speak for the Democracy of the free States. he had no right to speak for Galifornis, which thought otherwise

otherwise. Mr. BRODERIUK, of California contradicted Mr. Gwin's statement of the views of Galifornia. He cen-sidered that the views of his Biate were expressed by

Mar Douglas and the set and bath were to do his duty Mr Douglas. He was sent here to do his duty in representing the Democracy of California and he know that they endores the action of the Admissira-tion, and did not at all endorse the interpretations given

act occount. They had not been sufficiently signant in evolute. They had not been sufficiently signant in evolution the interest of one people, and for this be evolved them. In all their actions, thus far in the evolved them. In all their actions, thus far in the evolved the people of billadelphia. A strarger rose, where mame our reporter did not learn, and where it to dissent from that portion of Mr. Kennedy's, remarks consuring the L-guilature. He thought they were not so'ely to blame. No...it was the fault of the people of this site, of the Philadelphia constituents of these raifcoat bills were pending in the fault of the people of the site, of the Philadelphi constituents of these raifcoat bills were pending in the fault of the people of the site, of the Philadelphia emeritment, for the people of bills will be pending in the the state, not one word of assest, not one word of ap proval, was heard from this city. He regretia, it was itree, that the city of Philadelphia had not does the the the city of Philadelphia had not been repre-eeted by such mon as would have served here in targets while the people of the west-of the consist of the rest of the specific or corruption which were so und recally circulated, and could not but feel sorry that while the people of the west-of the consist of Mer-cer and Aliegheny-were there of the consist of Mer-ement. where patronare so much of this relired succession-pands-be wanted them to receive some portion of good, and in order to insure this, he wanted the fare to be three centsinstead of five-and if three can yield a re-companse, he could see monbjection to ruch a reduction. The speaker had heard of corruption among our Be-presentatives at Harrisburg. It had head suck charges noised atroad ve y freely. It was not for him, how-ever, to make such allegations. He did not charge these legislative gentleman with being knaves-by no means. That would be a personality to which he could not descend. Yet there was much to condemn in their conduct. They had not been sufficiently vigitant ir seeing to the interests of our people, and for this ho plan state the subtry effect in my war aggravited ease of your scollest Hair Oil-(Coccane ) For many months my hair had been falling of, until n bith departments is £19,291,022, showing was fearful of losing it entirely. The skin noon my decrease of £521,492 when compared with the prec ding return. The following circular has been addressed by the head became gradually more and more infamed, so that I could not teach it without pain. This irritated con-dition I attributed to the use of various advertised hair

washes, which I have since been told contain samphes

ding return. The following circular has been addressed by the president of the Matropolitan Bank, New York, to the cashiers of the banks in the interior of that State : Maraoroticar Bark, New York, Feb. 19. Bia. Circumstances of recent courreace make it se-cessary to address you on the subject of uncurrent innong. At a edgewallon of the interior banks of this State, held at Spraces on the 10th instant-forth-seren bunks being represented—a committee of Are bank of the state, Thomas II. Rochester, St. B. Jadoon, of Os-word chosen, namely: Messre. H. B. Jadoon, of Os-word, William Willams, of Buffalo; P. V Rogers, of Utis; Thomas II. Rochester, St. B. Jadoon, of Os-word, State, Thomas II. Rochester, St. B. Jadoon, of Os-word, State, Thomas II. Rochester, of Rochester; and John D. Norton, of Synause, to confer with the Metro-politan Bank, on a swislon of the true for receiving an-current money. Four, out of the fire appointed, wated upon this bank, and monitude inbetantially, the fol-lowing preparation from the constantially, the fol-lowing preparation from the constant ally, the fol-Norte of this State, at the Uncount with the Mattropolitan Bank receives from the scatter to an exch hundred dollars, redeemed by them daily in New Yorz, and take New England currency at a discount of on-isolth of one & coult.'' The subject received a free sad full discussion, and is considered in the scale so the with secon set on large with it, resolved to assets on set at of March, yrishin, will receive an arrend money co the terms proved. With respect, Joan E. With the Stores of the formal presimo, will receive marrent money co the terms proved. With respect. HILLADELPHIA STOCK EXCHANGE SATES. February 23, 1859 By the advice of my physician, to whom you had shown your process of purifying the Oil, I commenced its use the last work in June. The first application al isyed the itehing and irritation; in three er four days the redness and tenderness disappeared —the hair consect to fall, and I have now a thick growth of new hair. I trust that, others, similarly afficied, will be to aced to try the same remedy.

Burnett's Cocosine. BUBNETT'S COCOAINE. BURNETT'S COCOAINE. []]" A single application renders the hair (no matter how stiff and dry) soft and glossy for several days. It is consoled by all who have used it to be the best and chargest Hair Dressing in the World.
