ARE INSURED BY WEARING
DOUGLAS & SHERWOOD'S
NEW
MATINEE SKIRT,
WITH THE
PATENT DETACHABLE
HOOP FASTENING,
AND
ADJUSTABLE BUSTLE.

SAFETY!! since it effectually obviates the danger arising from entangling the feet, or foreign substances, in the hoops.

COMFORT!! because the stiffening cut of the muslin skirt, and the fine material of which it is composed, give a graceful fall to the robe worn over it, and will, in hot weather, enable the wearer to dispense with any intermediate skirt.

The MATINEE SKIRT has eleven hoops, weighs but ten ounces, IS STAMPED WITH THE TRADE MARK of Messrs. DOUGLAS & SHERWOOD, and is the best Skirt ever introduced to the public, and quite indispensable to every lady who desires to combine in her apparel SAFETY, COMFORT, and ELEGANCE!

THE GREAT NATIONAL
SUNDAY SCHOOL CONVENTION.
AN ACCURATE PHONOGRAPHIC REPORT
OF THE
PROCEEDINGS.
OF
THE SUNDAY-SCHOOL TIMES
Of this week is issued in double sheet, and contains a complete phonographic report of the proceedings of this important Convention, together with the resolutions and the address sent forth by the same. The speeches embrace a great variety of argument and illustration, upon almost every point of practical importance connected with the subject. Take it altogether, the report of the Convention, as here furnished, will be found one of the best Sunday-School documents ever issued. Superintendents generally, who desire to strengthen their own hands in the work, would do well to take measures to present a copy, not only to each of their teachers, but to each of the heads of families in their congregations.
To furnish so full and complete a report has cost no small amount of labor and money; yet the whole is furnished at the low price of 5 cents per copy, or $3 per hundred.

NICARAGUA:
PAST, PRESENT, AND FUTURE:
A DESCRIPTION OF
Its Inhabitants, Customs, Mines, Minerals, Early History, Modern Filibusterism, Proposed Inter-Oceanic Canal, and Manifest Destiny.
By PETER F. STOUT, Esq.,
Late United States Vice-Consul.
As Vice-Consul Mr. Stout had unusual facilities for becoming acquainted with the productions of the country, the character of its people, and the political affairs of this and adjoining States. He saw most of the leaders of the Central American forces, and gives a history of the Filibusters, with a graphic but truthful and impartial pen. His book will serve to throw much light on the great Central American problem now occupying the attention of statesmen and others in our country.
