BY MIDNIGHT MAIL. From Washington. respondence of The Press.]

Loorespondence of the Press.] Wasmington, March 17, 1859. It is almost universally acknowledged that the Administration has fallen under heavy odium. Some assign one reason, and some another; and, doubtless, there are many games of its want of popularity—some well laid, and others not. Bat tion. The great body of the delegates did not come to reliterate principles, but to earn wages. They did not vote the wishes of the people, but hanks to their masters. They had mostly been elected as office holders, or by office-bodies, and sit bough they might have avert-ed defeat from argrest party by some unor-pected concession to trath, they dared not to pected concession to trath, they dared not to

It would have won the second the source of the second to dis-marged and gratified people; would have the source of an charge all my public duties faithfully." This administration which how stands a reaking was a remark addressed by the late Position and infanty before the "mitton." Having performed their work, and the mitton." Having performed their work, and the number of the state of the state of the state or fiel to Washington as the only place where they can find a welcome, lot us look for a mo-they can find a welcome, lot us look for a mo-ministration, or rather of the dailes of his post." He was, explasions of the things they have done. Oldisens having business with his department were never delayed weeks and months on expense

Uniformly they had the quickest despatch. It would be fortunate for those having busines with the Government if the other heads of depart ments could contelentiously take to themselves the consolatory reflection which southed the dying hours of the late lamented Postmaster General But, they are not entitled to it, unless the com-plaints of thousands upon thousands of respect-able clitzens are all felsehood and humbug.

"gast, and with curses upon a Government which so little heeds the rights and conventences of the people. Instances are not wanting in which men have been kept waiting a whole twelyamonth for a matter which should have been decided in sh a matter which should have been decided in sh hour... In truth, one had as well have a claim de-pending in a Briths Court of Chancery as before some of the departments of the Federal Guyern-ment. And, worse than all, the clicken is offen

the victim of ignorant and incompetent clerks, whose erroneous decisions annul his rights, and

corrapting a civilized Government and insult-ing a united people, we can acquire Cubs, and multic business with the Car ing a united people, we can acquire Ouba, and degrade ourselves; and therefore, the acquisit tion of Una latienterm.

routes to the Pacific are an achievement of ha toh for the citizen; on the centrary, an almost superfine statesminiship, costing millions of insulting indifference to his accommodation, and

say that we are in favor of it ourselves. 8-, That inasmuch as the General Administration sets so shameless an example of fraud over the Union. example being followed in our own State. 9. That Senator BIGLER, being the embodiment of the genius, integrity, and consistency of the Federal Administration, and particu-

arly hostile to jobs of every kind, (especially all jobs relating to the post-office blanks,) we endorse him as evaluently worthy of support andiconfidence

The action of the Convention on the reso-"The action of the Convention on the reaso-hution in regard to Governor Paorza was a delicious dessert after such a course of st func-tal bard ments." as the above. Three per-sons, one of them a small dependent on Fede-hunter from Northampton, were the leaders hunter from Northampton, were the leaders in this wretched scenice. Stell association on the leaders hunter from Northampton, were the leaders rail bounty, here, and another an eager office-hunter, from Northampton, were the leaders in this wretched scenes. Such assaults on the integrity of Governor PACKER, by a set of heats in and onto of effice, who are si-heats by in the infanious inalorscilles of house in power at Washington, and fall of inplicits of the men guilty of these crimes, show how interly debased any organization must become that has no guilting star but inhibition to Treachery. We really con-gratilate Governor PACKER that he received the only more that has no guilting star but integration to Treachery. We really con-gratilate Governor PACKER that he received the only positive compliment from the Con-vention. A body, that so flagrantly defies the aught in malice." I have not " put down and aught in malice." I have not " put down and aught in malice." I have not " put down and aught in malice." I have rather " extention and contaited " more the solution of the received the solution of the received the solution of the solution of

America Magine Company, Decatur Kogine Company at Prankford, and the Manayunk Segine Company at Manayunk, as lo-cations for ensum fire segines. Mr. Potter moved to amend to stilke out the America at these more two or them for semines within a shori

S. ignorance: 4. vicious associations (including fupro-vidant marcinezes); 5. irreligion; and 6. powerts. The concluding observations are eloquantly writting, and full of the estrestures of trub. "I completions to excluence and arime," adds the writer, "must be re-moved. Whatever obstacle bigotry or sectarian featoury may present, deep and broad. foundations of moral and religious, as well as of intellectual character, must be laid in our elemontary schools, and the children of the poople must be there to be so trained."

Mr. Potter mored to amend to still cout the America, at there were two or three for any fines within a short lease on their house. He said the expenditures of here angular will be about \$0,000 and the xpunditure of the twenty corpanies will be about 160,000! He said in Glasgow, with a papulation of bout the same as in Philadolphia, they have an effi-iont for departmont, with twenty six uppines, which by costs \$10,000 per annum He thought in the time way of far off when the city would have to take the entire outrol of the departmont. SALE OF PEWS .- A large number of persons congregated, yesterday afternoon, in the new church of The Holy Trielty, on Rittenhouse square, under the rectorsing of Rev. Dc. Vinton, to Uid for paws. The edidee is not quite dinithed, sithough the finishing

The amendment was not agreed to, and the ordina The chairman of the Committee on Poor touches are being applied as rapidly as possible it presents a very bandsome appearance, internally and externally, and when completed, as it is a hoped it will be during the source spring, will be an architectural orna enet to our city. are constructed or the Committee on Poor submittee an ordinance making an appropriation of \$31 600, to isy the deficiencies of the Departument of the Poor for he past year. Among the items ware \$2,075 for car-lege hire; \$303 80 for whiskey, wines, &c., and \$500, 3 or advectising and stationers.

43 for advertising and stationary, where, sci, and sold M. Handy moved to strike out the idem for carrieg h reast hese bills were contracted without anthorit of law. Not agreed to, and the ordinance passed. Mr. Hacker called up the ordinance suthorizing i hoon of \$500 000 for the extension of the gas works. Mr. Mascher said he should vole against the bill be oruss it would add to the political english of the trustee of the gas works, who were taking advantage of it to promote their own political ends. He denounced the works as a monopoly

be during the scaling spring, will be an architectural ornament to curcity. At four colock precisely, Mr. Moses Thomas mounted a temporary stand eracted in the control of the classed, and after amounding the form of the classed, and after amounding the form of the classed, and after amounding the form of the classed, warfours other preliminary matters in connection there with, saked for a hid. The choice perse were those numbered 66 and 49, on the morth central alter the system of a side and the second state of the distribution of the second state of the second for second down to a hir Power at \$210 premium for secon. The purchase will cost him, when all second pares are paid, \$2 42(0, or \$1,210 for sech. The bidding for the sect per, No. 65, was quite animated. Mr. Orescon fasily received it at \$220 pre-mium, or \$1.350 clear of expense. Prices felio considerably at this juncture. No. 50 was abid at a premium of \$100 to Mr. Houry, or \$900 of \$100 spices, or \$2 200 for bein, free of expense. The prices of the balance ranged from \$75 to \$5. The bidding in many of them was rey lively, much interest being taken in the sale by the spociators. The bumber of pews sold at a premium were 66 the juncher for sale bidding these in the borth and routh gallery. 260 These shele counties about an bour, and was over a faw minutes after firse. ST. PATRICK gave ús beautiful weather yes-ST. FATRICE gave us boauting weather so-trrisy, contrary to all precedent, and much to the de-light of his many friends. The Hibernisa element of our people calebrated the day with greatfervor in many sholent. ck, of the Committee on Highways, a res ion authorising the grading of Leiper, Orchard a ser streets in the Twenty third Ward, at an expen

our people calebraied, the day with great farror in many ways. High Mass was said in several of the churches, ledures were delivered by emingatiopople of the Catho-lid persuarion, and the miffary paraided We looked at the solidiers as they messed up Chestont streat about threa o'clock, and a very fine-looking body of men they appeared to be. Their drill was excellent, and their beating markial to a degree. They consisted of the Septond Brigade, were under the command of Colonel Conroy, and turned out the following companies: E mmet Guards, Shields Guards, Irish Volunteers Machine duards, Shields Guards, Hibernis Groves, Minigowery Gua'ds, and Shields Rifles. In the after-mon the Hibernia Scolety had a meeting and a dinher The dinner was accellent (according to report) and the repacement of a particitoriast. Toward avening dark and threatening clouds obstructed the light of sud--bit it did not rale, and the demonstration ended in vapor. This Scoond-ErrENT MODEL MARKET, we of exceeding \$1.600. \$17. Kelly offered an amendment providing for doing ip work in accordance, with the consultation act ent. Mr. Moyer called up the ordinance creating an ad-itional election division in the Nightsenth ward, and An ordinance was submitted appointing the room of the library astending and improving the room of he library of the Law Association. An ordinance was submitted appropriating \$700 to ay for the uniforms of the reserve force. Laid over, Adjourned. COMMENCEMENT, OF THE COLLEGE OF PHAR-THE SECOND-STREET MODEL MARKET,

acr.-The Commencement of the Philadelphia Colleg understand, will be erected ou the lot now occupied as the Genel Tavern, which is on North Second street, abye Bacs, with an outlet on New street. This is a very superior location, this property having been occu-pled as a wagon stand for more than fifty yays. The lot fronts Second street and extends wostwardly three hundred lees, and wildens on the back front to one hun-dred and sity-three feet. This property will be im-proved in the most robtantial manuer. by the erection of a model unsket house, with heath and stating aboop-modations for all persons attending this market From its isorable situation this market will secommodate a large opplication in this market will secommodate a large opplication in the immediate vicinity, and also the steamboot, shipping, and New Jersey interest aderstand, will be created on the lot now occupied as Pharmacy took place, last evening, at Music I Fur

In manifered and the second se The late arrest, by Detectives Somers and avy, promises, from the developments already made, o prove one of the greatest importance. Several robsries that have been committed lately, and the perp baries that have been committed lately, and the perpe-trators of which have been able to defy the nimest ex-ections of our officers, are being traced home to the znavas now in costody. It is expected that a hearing will take place to day, as evidence is being rapidly ac-cumulated to fasten the charge on the willsins. It is unnecessary to praise the genilement who have so surely and signally ofped these robberies in the bud Thetr conduct is their energy. A Browstray, a robellious horse attached

A RUNAWAY .- A rebellious horse, attached to a sulky that was standing in Market street, near Thirteenth, yestorday afternoon, about three, started off in a wild career. He threw his owner out of the on in a will chrect. He infew his owner out of the vehicle, severely bruising him on the face, broke the culky considerably, upset two dar-horses that a'ood in his way, and finally came to his knees, noar Fifteenth street, when his owner's friends secured him. He was from the unai districts, and not being made to our (Qua-ker. Givy custors, he became frightenod at a presen-ger railroad car that was passing him on the street. DEATH has taken another of our old men

DEATH has taken another of an of a met-chant-men in the person of Mr N. B. Thompson. Mr. T. regided at No 253 8. Fifth street, and was much ra-spected by his fileads and mercastille associates. He was in the 654 year of his ege SUDDEN DEATH.---A woman Damied Ann McFaddon was found dend in bed last evening, at the residence of her husbard, in a court near Broad and Race streets. The coroner was notlined to attend.

Affray in Kansas.

HOSPITAL CASE .- Thomas Maury, about LEAVENWORTH, March 17 — The Times of this cit: publishes an account of an affray at Halton, Oalhoun county, growing out of a political meeting held in pur-suance of a cell to organize a Bepubli-an party. Durin de the second s wenty-eight years of age, was adduited to the Penn glvania Hospital yeaterday morning, with his bead nof ace badly out. From his attement is appears that is want into a tavern at the corner of Eighth and formion strenging on Wedlmeshow scoring when have he meeting a disposition was man ons opposed to the object, to breas ng. At the close a meles ensued. h erweat into a tavern at the corner of Eighth and Ameline streets on Wednesday evoluty, when he was assauited by some person, who struck him with a black lock and inflicted the above wounds inc. As use divises inside obspace, in which inc a scallant, and to be pro slareyr near, were forced to re-tire. Resolutions were afterwards adopted ordarin the participants in the stack to leave the fibrilows and a company was o ganized to carry the resolution into effect. Judge Halts, private jodge of the county DISTURBANCE .- During the parade of the Bhiela Guarda, reiserady, a distribution coccurred, br-tween a few policemen and some members of the com-pany, in relation to stacking arms in fas street. Owing to the interforence of a few officers, what might have been a serious difficulty was obviated. The company was under the command of Captain Somers, and made a fine display. as severely wounded, and several were injured du he melce.

Death of Dr. Thomas D. Mutter, of Fhiludelphia. CHARLESTON, March 17 - Dr. Thomas D. Mutter, Emorthms Professor of Sarrey of the 3. Green Gollege, Philadelphia, died at the Mills House, in this city, last ALDREMAN OULE, yesterday, held Mrs. Kato

ALDRRMAN ORLEY, Yesferday, hold MIN. INHO Naymour, alias Anna, to ball in the som of \$1 200 to answer the charge of keeping a disorderly house at No 1420 Eansom strout. Hate has been very anorphy to her noighbors, some of whom were campelled to put chains across the door to keep ont her friends, who, mistaking their houses for her own, were very intrustre and annoying.
