ew weeks ago. The truth is, the People's party in Pennsylvania was framed by certain gentlemen seems to imply that the opponents of the Douglas construction of non-intervention are claiming that who knew that it never could bring the American element to unite with the Republican element on Congress should inaugurate slavery into the Ter-titories, by the adoption of a code of laws for its Republican platform. ' The American element in Pennsylvania is an enthusiastic and sincere ele establishment and regulation there ; and in this | ment, not out to give way to sectionalism, and not respect, indicates, on the part of our respected contemporary; in entire misapprehension of the position of the advocates of Congressional intervention. They do not ask Congress to legislate slavery . into, the ... Territories, of . the .. United States, but to afford it all the necessary protecwords, they demand that Congress shall interpose mains to be seen.

to prevent its creature-its agent-the Territorial Legislature, from passing and enforcing laws to revent its introduction. or to drive it out, if it has already gone there. They do not ask this of Congress, as a boon, but demand it as a right. If it dare not violate the trust itself, it cannot be ex onsed from responsibility if it permits its orealure and agent to violate it. Nor can Congress evade ils responsibility by referring the matter to the Supreme Court of the United States. That at wrongs. It can not only upon the case and cal opponents, he will place the sot upon the right dress, by way of damages to the man at the man dress, by way of damages, to the, man whose negroes have been taken from him under an unbe said of Mr. Westcott's polities, his action in onstitutional law; but it is utterly powerloss to protect the political rights of the people of the Southern States in the common territories. We

already have the Dred South decision, by which the constitutional right of the slaveholder to renove with his slaves into the Territories has bee

performance of which we have been unable to

Madame Biscacolanti gave a concert at Lancaster, on Thursday evening, which was well attended. On Tuesday in Passion-Week, Madame Bicong; bis negroes will be taken from him, and with the uncertainty of recovering their value in a soit at jaw? It does appear to us that the Supreme Gourt of the United States is not the proper tribung to appeal to for protection to the politi-tribung to appeal to for protection to the politi-tent is of communities. From the new proper gianti gave her first concert in this city, after a Thursday-it not being remembered that this was the eve of Good Friday. The result was-no attendance. Many persons, who wished to hear Madame Bisoaccianti, have arranged to give her a Farewell

June, thence to Australia, after which she retires.
