The pronunciamiento of Horace Greelev. The pronunciamiento of Horace Greetey, de-Hurad at Gramtonic, Konses on the 18th of claration of war that the Bepublican party has yet made. Mr. Greeley takes ground against Popular Soveroignty in all its phases, and falls back upon the Bourbonism of the Republican platform of 1856. He takes the ground that advance of their entrance, that all the men mediately enrolled in the Groat regiment, and sent across the mountains. A terrible config-Congress must prohibit slavery in the Territories, just as the extreme South takes the ground that gration occurred at the time, and many man-sions, the ordnance ostablishment, and a mili-Congress must protect it in the Territories. There's is, indeed, a rare similarity between Mr. Greetary hospital were consumed by the games. The Austrians set the convicts of Porta Nuova at ley's argument in support of his oreed in this re-spect, and the argument of those who chance for Congressional protection for the institution of slavery in the Territories. As you will, of course, notice this speech, I have it to you without further comment, save to add that, in my opinion, no mark, and more din 1860 which on Nuthout liberty to join their soldiers in plundering the descried houses, the churches, and the nalaid upon the wasithy men of the city, and \$400,000 extorted from them. The Milanese no party can succeed in 1850-whether Northern or Southern-that proceeds upon the despotie dectrine that the people of the Territories are to be deprived of all control over their domestic insti-

The war between the Hards and Softs, in New York, having been renewed with all its intenpity, you may look out for some slogular developments, The Hard division, which is unquestionably anti-Administration, is led on by Mr. Birdsall, the newsl officer in the city of New York, and by his father-in-law, Governor Dickinson, of Bingham-ton, Fernando Wood, Judge Beardsley, Mr. Cros-

well, and others. Nor have the powers here the slightest confidence in the leaders of the Soft 44-vision. It is said that when John Van Buren, who may be called one of the leaders of this in-terest, consulted his father as to the proper course to take in references to Mr. Buchanan, the old emperor said to the young princes: "We can do nothing else but support Mr. Buchanan; but John, let me tell you that (f he should be selected. the Government was surrendered to a Sar-dinian commissary, and CHARRES ALSEEF lent the city a small sum of money and a garrison of 2,000 men. After the defeat of the Sar-to take in reference of Mr. Buchanan, the old

his Administration will prove to be the greatest of failures." It is not doubted that Dean Richmond, another of these Soft leaders, has began to realize in full force the fulfilment of the prediction of the sy tors of the Atlas and Argus at Albany, both shrewd and far-seeing politicians, are beginning to claw eff, with real New York skill, from the universal admiration, but eventually they were shrowd and far seeing politicians, are beginning to claw eff, with real New York skill, from the Administration, and it is beyond question that Mf. Amasa J. Parker, who ran for Governor as the Democratic candidate in the last election, and

pemostatic candidate in the last election, and belongs to the same school, has an unadjusted grief with Mr. Buchanan with reference to the will be certain, sconer or later, to bring forward for settlement. Meanwhile, between the two wings stands that cool, self-poised, and graceful gentlement. Meanwhile, between the two wings stands that cool, self-poised, and graceful

ndered the frater regards of his Assembly for the Syncd. He felt he was expressing the sentiments of the Assembly when he said the Reformed Presbyterian Church

he was expressing the shaftments of the Assembly whon he said the Reformed Presbyterian Church was dear to them on account of her peculiar his-tory. The speaker gave an account of the opera-tions of the General Assembly during the last year, and closed by wishing the utmost prosperity to the Synod. The Möderator made a few appropriate remarks in reply, and reciprogated the insternal regard expressed by Mr. Bailey. The anonpideration of the areport of the committee, and copysed the union. He would not leave the before of the General Assembly during the addition of the score of the committee, and copysed the union. He would not leave the before of this affections for any other. Dr. Hendell, of the Old School General Astembly was invited to a sont as a consultative member. Betwork of this affections for any other. Dr. Hendell, of the Old School General Astembly was invited to a sont as a consultative member. Betwork of the informative member. The notion of the glorious work. He could not feel the force of the arguments adduced by the committee against union. He would be in favor of confederation, if it was proposed. He lowed the United Prosbyterian Church as much as his own, and did not deem the points of difference be-tween them great ensugh to warrant a continued separation: Per Up. Douglass thought the report a mass of

the United Presbyterian Unitron as much as his own, and did not deem the points of difference be-separation: They Dr. Douglass thought the report a mass of gilitering generalities. He had nothing to gain by the union, or nothing to jose. He had not in other times thought the United Presbyterian As-semply honest in their efforts for union, but he felt inow the pulou was accomplishing the greatest possible good for that respected body. He would labor for union with all his heart, as he deemed it the best for that respected body. He would labor for union with all his heart, as he deemed it the best for the Principles of his own oburch, nor could he be. There were men in this church who loyed the mere form of organization better than its Head of the Oluroh. He was not formed Church more than the Church of Christ. There were men in the Reformed Ohuroh who held principles on the matter of ResImody and inter commuted very soverely on those who remained in the Church and endeavored to introduce other than Soriptural Pasimody. It was said that the people do not want union. There was evidence enough to ghow that the spectra st much length to write a claracts illustrating the history of the union movement. It has been said that we do not want to break up our organization—he thought st we were already in a state of disorganisation. The headship of Christ as recognised by both of the churchs in the is testimonies was then on-sidered. There wore a great many opinions en-tertained, and he thought forhearance should be exercised. The mission of the Reformate Reshy-tarian Bheroh had been accomplished. Buch was the opinion of many sequent diverse aros the water. It had been said that the the down and reshy the ohion of many sequent diverse aros the water. It had been said that the down of this ohurch were prosperous—he believed we had no mission at all. They were under the occurd of this ohurch were prosperous—he believed we had no mission at all. Auction Wool SALE.--About 110,000 lbs. of pulled wool was offered at auction, yesterday morning, (terms cash under \$1,000, over that amount four months), to quite a full attendance of desiers, brokers, and mänufacturers of the city and adjoining counties, and from Boston, Law-rence, and New York. Such is the gloomy ap-pearance of the future that a decline of fully 5 to 103 since the month of April was sustained. If bales of Merino were offered in five lots, and the sales ranged from 42 to 44. The No. 1 wool, 344 bales, in five lots, brought 34, 34; and 35; bleck wool, 1000 lbs, 35; lambs wool, 0,000 lbs, 36; short merino wool, 6,000 lbs., 33; short No. 1 wool, 2,000 lbs, 25; coarse wool, 2,000 lbs, 16. Although no fleece was offered, the tale is yet a correst commentary upon, the market in fleece, only that pulled is the searcor of the two. Jersey fleece is offered at 22 to 400 One lo' of Ohlo mixed fleece, new ollp, was to-day sold at: 350 DECIDEDLY COOL.--We have given the par-AUCTION WOOL SALE .- About 110,000 lbs

DECIDEDLY COOL .-- We have given the parwater. It had been said that the missions of this oburch were properous—he believed we had no mission at all. They were under the cottrol of the Old School General Assembly. He folk him-self called on to sustain with all his power the proposed union with the United Presbyterian (furuch, and would accordingly vote against the report.

report. The Doctor closed with an elequent appeal in

The Doctor closed with an eleguent appeal in favor of union. The report of the treasurer of the Hoard of Foreign Missions was then read, and referred to the Auditing Committee Rev John McMaster said he had heard of oil heing poured on the troubled waters, but he thought the speech of the reverend gentleman was the oil of vitriol. Accordingly, he weuld move an adjournment until eight o'clock in the eysening, for the parpose of continuing the debsic. The motion was agreed to, and the Syngd nd-journed. EVENING SESSION.

BYENING SEASION.

any longer in this city than was absolutely neces-sary. Mr. George H. Stuart was in favor of giving a spssion to fasting and prayer, in order that we might answer prayer/ully the ory of the perishing millions of India. There was no question of such magnitude before us as the one of missions I fwe joined in this prayer, we might expect the biess-ings of God on us in our efforts to convert India. Rev. J. M. Morrison lived in theo far West, and the eyes of a family and a congregation would be watching for his coming in the latter part of the week; yet he would comain and willingiy join in the fasting and prayer. On motion the report was accepted and made the order. of the day, after the discussion of the union question.

doing, and what, under the blessing of God, they intended to do. He gave a number of interesting and affecting incidents of searchs within and with-dur the Horse-of the, many that had been re-claimed from the path of orline, degradation, and ruin, and made usoful, respected, and honred olizons. He stated that mayors of three of the Western aitles, and many members of the Legis. Intures of other States, had been immates of the House. His eloquent remarks were listened to with ufflivided attention, and we observed more than one face suffused with tests. The excretes were clored with prayer.
