In business and monetary sircles a prominent topic of conversation is the conflict between the rival great rail-way companies. 'Of the exact state of these difficulties way companies. Of the exact state of these difficulties no accurate account finds its way into the daily papers. In each a different account is given, colored according to the different sources wheree each derives it; information. The controlling men are quite rotisent of what is going on. Yesterday. Erie sold down to 5%. It has been aftertained that the directory of this great property, representing a cost of \$40,000,000, fortually hold an interest of only about \$500,000. To day it is runored in the halls of the St. Nicholas Heist that there is a fair prognate of active property. there is a fair prospect of a settlement of mooted points, that better temper prevails among the "four presidents," and that something will be effected that will tend to save the stockholders of each from the long-

forced to move from one of the avenues because he found that he was living above one of the underground attenues and his family were dying around him. The General his said that a row of houses were now going up in one of the most fashionable parts of the two, coveras other s must instances were brought to the notice of the meeting.

Extreise. -The sucient Greeians were noted for their agility, strength, and great powers of endurance. The English women of the present time are celebrated for their robust and healthy appearance, the result, in both instances, of vigorous and healthy exercise. The Americans, unfortunately, have but little tasts for this method of retaining their health, or building up a broken constitution; hence the great pre measure, palliate this want of exercise, by giving great strength to the digestive organs, hence producing a good appetite; and a vigorous faeling of body. A moderate deg se of exercise, hencyer, used in connection with the Bitters, is much better; the most desperate case of Dyspeptia, Liver Complaint, Bervous Debility, pieid Dysperus, Liver Complaint, Nervous Deblity, yielding quickly to their beneficial influence. All Druggists and Dalers in medicines have these Bitters for sale at 15 cents per bottle. For sale also by the proprietors, Dr. C. M. JAOKSON & CO., 418 AROH Street, Phila-
