The Times thinks the battle of Magenta may not be by any means so docleive as we were all prone to belleve, and we must wait further ac-counts of the fighting on Bunday. The Austrians annear to be perswering in a determined plan of The Austrians had on their side four Parmés. The balletin sums up the result of the five days ince the departure from Alessandria—our army ad three combats, gained one battle, and freed Pedmontfrom the Austrians, who, since the battle f Montebello, have loss 25,000 killed and wound-d, 10,000 prisoners, and 17 cannon. The defeat of the Austrians at Magenta is said o' have produced an immense sensation in Gerappear to be perfevering in a determined plan of retreat, but are fighting and not figing The Hypening Herzid, in a leader, remarks that the loss of Milan is one which it will not cosi abo nos of Africa. In the Solution of the visit of the solution of the solutio have produced an immense sensation in Gerny. The correspondent of the *Daily Nows* gives a following details : "In less than two hours the allied monarche had Mantus are captured, then it will begin n the ultimate loss of Lombardy :

in the utilimate loss of Lombardy; and not till then does it expect that Francis Joseph will show bimself so anxious to negotiate as he is represented to be by the pretended mission of Count Ester-lasy to the English Court. THESTE, June 6.—The Ranol, of Nantes, bound rom Cuba for Tristle, with a care of antinon turned by General Cantober's corps, sup-ported by General Taut's division, and the Aus-trians were obliged to fall on their centre at Ab-blate Grasso. The Austrian centre being thus swelled by the routed columns of their left, wing, was soon in disorders, and thousands fell, crushed by the French artillery. "General McMahon had now reached the scene, and seeing the moment had nome to break the disordered centre of the Austrians, oharged with an impetuosity seldom witnessed, supported with unnetuosity beddem witnessed, supported with terrible, and the dead and wounded were failing by thousands. The Austrians were finally routed and the victory won " The same writer says that twenty Austrian guns were taken." on turned .by **Poreign** Commercial Intelligence.

ustrian Empire, but governed oy an Austrian readdree. The Post shows that the position of the Aus-rans has now become doubly critical. They will oublies attempt to reach Lodd on their way to 'erons and Mantus, on which it is absolutely ertain they must fall back. But they French, Iready masters of Milan, will probably andearor o infercept their roturn. Another more sventful, nd, if possible, even more desidive bombat may herefore take place in the neighborhood of Lodd. It is stated in the city article of the Express hat double have been thrown upon the reported ristory by the French forces. 160,000 during the week. The Site of the Battle at Magenta.

The following description of the battle of Maenta is taken from Galignans's Messenger :

"Magenta, which will henceforth become illus trious in story, is a small town of about 0,000 in-habitants, sinuted near Navigilo-Orande. It is the first stage on the road to Milan from Novara by Buffalora. Three roads lead from Novara to the tains the following: The Marquis Antiaino has delivered to the Empress the notification of the death of King Ferdinada, and of the adjession to the throus of King Francesco II. The Marquis

Buffalora Thr hank of the Tisi hank of the Tislino. The first and most direct passes by Cameri, and ouds at the bridge of Buffalora ; the scoold, more to the north, passes through Galliste, and descends to the ijver means passes unrough Galliste, of Tarbigo; and the third, still more to the north, passes through Cameri and Piccheion, and by a ourve joins the 'ioino at some distance from the Galliste road. At the mement when the France troops crossed the Tiolno, General Gyulai, who was evacuating the Lomeilina. had quitted tharlesco, and transferred his headquarters to Abbiate Gras-so, on the left bank of the river, a few kilometres trians, who endeavored to oppose it, but were re-pulsed with considerable loss.
