Marine Intelligence.

## The News.

By the arrival of the ship Isaac Bourman, at New York yesterday, the latest intelligence from Hayti has been received. The reports of the massacre of the President and Cabinet, and the change of the government to a monarchy, proved to be false. The President, Geffrard, was in command of the troops in the field, and was successful in defeating the rebels. The Emperor of Austria has issued a proclamation, declaring that he will not abandon the Italian provinces, but will defend them to the last extremity. The Emperor of the French has issued a proclamation, declaring that he will not interfere with the internal affairs of Austria. The Emperor Napoleon has left Paris for the seat of war. The Austrians have evacuated Milan, and the Sardinians have taken possession of the city. The Austrians have also evacuated Pavia, Lodi, Cremona, and Piacenza. The Austrians have left Peschiera, and the Sardinians have taken possession of the fortress. The Austrians have also left Mantua, and the Sardinians have taken possession of the fortress.
