His father, RICHARD STOCKTON, to give equally candid and impartial notices of the WALLS, the VROOMS, the POTTERS, the EL-would not ask why it is that Sam Houston is enabled Jr., was elected, at an early age, Senator in Congress from New Jersey, and took a front ters, the Ryersons, and other eminent citirank in that body. Subsequently, during the zens of New Jersey. war of 1812, he was a member of the national.

"The Old Arm Chair." Many of our readers are aware, no doubt,

ly distinguished. A Federalist of the old school, he was deservedly classed as a gentlethat there is a song called "The Old Arm man and a lawyer among the first men of the Chair," written by a middle-aged young versespinner, called ELIZA COOK. Several years ago, Miss Cook was a celebrity in England. "We shallenge the investigation of this morning there is an article is in other things. The best proof of Constitution of this morning there is an article is in other things. The best proof of Constitution of this morning there is an article is in other things. The best proof of Constitution of this morning there is an article is in other things. The best proof of Constitution of this morning there is an article is in other things. The best proof of Constitution of this morning there is an article is in other things. The best proof of Constitution of this morning there is an article is in other things. The best proof of the best proof of the billion is the oblivion into which Etiza Cook has been of the strictest virtue and the noblest patriotism." failen, is that, desiring to refresh our memory over the Administration Democrats of Texas, is a

## THE PRESS .-- PHILADELPHIA. SATURDAY, AUGUST 13. 1859.

Letter from "Occasional." was chosen for the nco of The Press.] WASHINGTON, August 12, 1859. indore from Just at the time when it was believed that the star of Sam Houston, of Texas, was passing rapidly from the political firmament, and losing its lustre before the blaze of other luminaries; while yet the before the blaze of other tuminaries, while yes no accents of his ornamented farewell speech to the American Sonate linger in our ears, the news rom his own State comes in upon us that he has nen elected Governor of Toxas, after an animate itest, beating the regular Democratic ticket by a signal majority. Here now is another man who experience may be said strikingly to illustra merican character, and upon whose eventful life it is profitable and pleasing to dwell. A contury hence our children's children will read of San Houston as to day we read of John Smith, who was rescued from the Indian faggot by the Chris anized maiden, Poeshontas.

It is rare to read the life of any one man s owded with political honors, and so identified with political reverses and triumphs. If you will recollect that Sam Hou readers will recollect that Sam Houston So-gan his early life among the Cherokee Indians; that directly after that he was clork and county auditor in Tonnessee; that he kept school; that in 1813 he enlisted in the army, and served under Hen. Jackson in the Creek war; that he was wound ed, and rose to the rank of a lieutenant in that war; that he studied law at Nashville; that he served from 1823 to 1827 as a member of the National House of Representatives, from Tennessee that he was two years the Governor of that State

Iprised, however, if his peculiar organization are also a low to the Manufacture of Manufact him, shorty setting the farewell specones of the Senate, which, like the farewell specones of some other great actors in politics and the drama, was, as the result has shown, intended to be but the advertisement of a new engagement, you would have been impressed by his fine bearing, his snow-ties to seemen entering the regular and were re-duced to £8 and £4 for able and ordinary seemen, weanectively, and the system of bounties, which

him, shortly before he made his fareweil speechs of a control of a new engagement, you would have been impressed by his fine bearing, his now the principals." and his vigorous, statesmanilke appearance. You would not ask why it is that fixed here an all the degret at the system of bounties, which he doen the system of bounties, which here it was been and at an and st irresistibly successful career. He is not a man of learning or extended information; he is vain to a fault; fond of dress and show; in the system of a sperficial logician, (and no man is so ready of the trutch, his ontemation is so ready of at his instinctive loge of the trutch, his ontered of his instinctive loge of the trutch, his ontered of his instinctive loge of the trutch, his ontered and not the system of the trutch, his ontered of his instinctive loge of the trutch, his ontered and not the system of the trutch, his ontered at a dot at the system of the trutch, his ontered at the control of the trutch, his ontered to be ontered at the trutch is been account on other the system of the trutch, his ontered and not the system of the trutch, his ontered at a for a blance of the trutch, his ontered at a dot at the system of bounties at the life of the trutch, his ontered at the system of the trutch, his ontered at the contexpondent of the trutch, his ontered at the system of the trutch, his ontered of his instinctive loge of the trutch, his ontered at a dot at the trutch of the fart of Harrington is announced. The title becomes extinct. The dath of the fart of Harrington is announced the fart of that the Empore proposes to pay a trut is strong features and conceal none of the system of the trutch, his and conceal none of the system of the trutch, his and and and and attoitism. If the life of that man could be written con a mong of the trutch, his and conceal none of the trutch at the system of the trutch, his and the data at the system of the trutch, his and and conceal none of the trutch athe system of the trutch. The title becomes extinct. The

 The intervence of a real perimeters of real p Opposition to the regular nominations, on the part of the Administration, is a helmons offence whether ever that opposition is manifested against the Administration, but any Democrate the galants the value of the Prince Napoleon during the re-ministration, but any Democrate to an boeleved against a regular Democrate to the water the platform of the Administration, and Waterthow, the platform of the Administration, and Waterthow, and a subility stated his position in a. and water the value of the Direct platice of the Times against a subility stated his position in the base of the the position of the Times against and the subility stated his position in the base of the the position of the Times against and the subility stated his position in the base of the the position in the base of the the position in the position in the base of the the position in the base of the the position in the position in the position in the base of the the position in the position is the position is the position in the position is the position in the position is position is the position is the position is the position is the position is th In the correspondence from Paris it is observed that, notwithstanding the reductions in the army Mr. Buchanan as a candidato for re-election, J.B. has been greatly disturbed about the apparition of George M. Dallas, of Pennsylvania-American and nary, here more are always within grasp, and can be called from their retreat, and that the line which separates a peace-footing from a war-footing is not very distinctly drawn in France. TAIESTE, Friday.—The Austrian Lloyds' steamer arrived hore to-day, with advices from Constanti-nople to the 25th inst. His Impérial Majesty; the Sultan, left to-day for Neobosto and Salouics. In consequence of the conclusion of peace between France and Austria, the calling in of the rediffs has been suspended. A Turkish Legation or Con-sultate General is shortly to be established at Rome. The Persian Ambassidor has arrived hore. THE DEFINITION DIFT. ston. I wrote to you some time ago, about a promise which had been given to a distinguished New Yorker of the mission to the Court of St. es, and I will not be at all surprised if Mr. Buchanan should insist upon putting somebody into his old place as a reward for expected services, if not for past friendship. The Washington Constitution, in its attacks upon Governor Wise, illustrates the theory which it applies to others, by copying from newspapers nótoriously opposed to the Democratic party, and which have always opposed Governor Wise. In the official paper of this morning, I notice a num-THE GERMAN DIET. THE GERMAN DIET. FRANKFORT-ON-MAINE, Thursday, July.23,-In to-day's alting of the Fedoral Diet, Austria, Prussia, and Baden made a common proposal con-corning the garrisoung of Rastadt, according to which Baden would name the governor and attli-lory director, Austria the engineer director, and Prussia and Austria alternately the commander. The garricoa to consist of 6,000 men during peace; and 12,000 men when on war footing, the contin-gents for which are to be furnished by Austria, Baden, and Prussia. Austria and Prussia agreed, also, that they were to exercise alternate appoint-ment every five years. ber of extracts from extreme anti-Democratic pa-pers, which are introduced into the columns of the Constitution, with many bows and grimaces, as welcome visiters. I simply refer to this circumstance for the purpose of showing the consistency of the organ of the Administration. ment every five years. AUSTRIA. The music at the President's grounds attracts quite a crowd of the local population. This is about our only popular recreation. We have no theatres here. If you in Philadelphia are suffer-AUSTRIA. The War Department of Vienna has decided that the First Army shall be maintained, at present, on a war footing in Italy. Its effective strongth is estimated at 200,000 men. The other corps of the Austrian army are on the march to take their former cantonments in Gallicia and Hungary. A telegram from Munich, dated the 20th, says : "The Count de Rechberg has just transmitted to all foreign Governments the text of the prelimina-ries of the paces of Villa Franca. The Choinet of Vienna has also communicated to justify the words of the Emperer Francis Joseph in his mani-fosto after the conclusion of peace." TUSCANY. Leopold II., Grand Duke of Tusoany, has abdiing for lack of amusements, you may well imagine how we long for them here. We are, indeed, the how we long for them here. We are, indeed, the creatures of Congress; but our city is now becoming a motropolis in other respects, and by and by we shall begin to depend upon ourselves. I was glad to see Mr. Buchanan in such good spirits on Wed-nesday evening, as he passed out of the southern portico of the Presidential mansion. Fow of the distinguished men of the country were there, so the city office-hunters had a chance to make their TUSCANY. Leopold II., Grand Duke of Tuscany, has abdi-cated in favor of his son, Archduke Ferdinaud, born on the 10th of June. 1835. This prizes mar-ried a daughter of the King of Saxony, who has left him a widower with one child (a daughter), born on the 10th of January, 1859. KOSSUTH. obelsance to him. He seemed to avoid and ovado all allusion to politics, and engaged himself in talkthe register, that such certified copies "shall ing to the ladies, by whom he was largely surrounded. OCCASIONAL.

wealth; (not to speak of their high-breeding. temporaines, with equal ill-success. In Appleton's New American Cyclopædia is a brief hat aristocratic,) have been enabled to notice. In Allibone's Dictionary of English Literature, however, we found the narticular which we required. Whoever else may be incorrect or careless, ALLIBONE never is. One of the ballads by which Miss Cook i

House of Representatives, where he was equal

best known, is "The Old Arm Chair," the sale of which has brought heaps of money to its publisher. We have heard that nearly half a million copies of this song, each at half a dollar, (the cost being about three cents,) have been disposed of. The following is copy of the assignment of this lyric to its pub-lisher : 1812 Some curious anecdotes are told of the daring of the young seaman in, and shortly after, the war. " The celebrated duel (in which he

"Received, May 14, 1841, of Mr. Charles Jef-freys, the sum of two pounds two shillings for copyright of words of a song written by me, enti-tled 'The Old Arm Chair,' music by Mr. Hino, "ELIZA COOK." was the chief actor when a very young many) at Gibraltar, between himself and There is a low-priced publication in London other American naval officers on the one side called the Musical Bouquet, the proprietors of and the officers of the British regiment stationed there on the other-the Americans which transferred to it, without leave asked on having challenged the whole British regiment obtained from Mr. JEFFREYS, the words and nusic of "The Old Arm Chair." Numerou is one of these incidents. In that affair copies of this publication were sold, each for though no lives were lost, the British came off decidedly...second best, and the attempt to six cents, by a Scottish bookseller named KYLE. Against him did Mr. JEFFREYS comarrest Lieutenant Srookron, by civil process, mence a law-suit in the Court of Session in was signalized by his thrashing a whole squad of police and jumping down a precipice, and so escaping to his ship. While yet Scotland, the object being to prevent any future sale of pirated copies of the song. In a Lieutenant, STOCKTON did as much for the words of the application, "To restrain the appellant (KYLE) from printing and selling, or the promotion of the colony of Liberia, aving in his possession for sale or hire, withof which he was one of the founders, as any out the consent of the respondent, the words man in the country. When in command of of the song or poem known by the name of 'The Old Arm Chair,' alleged to have been the United. States schooner Alligator, off the coast of Africa, in his efforts to suppress the slave trade, he made himself liable to a heavy amount of damages for the capture of two

inlawfully printed, without the consent of the espondent, the proprietor of the copyright, in ressels engaged in that trade, belonging to No. 382 of the Musical Bouquet." Mr. JEFFREYS rested his title on two docuforeigners, and therefore not amenable to our monts : Miss Coox's receipt, as above, and the

laws, and for which he was indemnified by Congress. A river in Liberia boars his name, copy of the certificate of registration of owngiven to it by the colonists there, in remem-brance of his exertions in their behalf. After ership entered at Stationers' Hall, in confor mity with the 5th and 6th of Victoria, cap. 45. his return to the United States from his service It is declared by that statute, which contains very stringent provisions for the accuracy of on the coast of Africa, and still Lieutenant of the navy, Stockron became conspicuous as an be primâ facie evidence of the proprietorship advocate of the election of JOHN QUINCY or assignment of copyright." He also called ADAMS as President. Subsequently he advocated the election of HENEY CLAY, then of Mr. GEORGE HENRY DAVIDSON, music publisher in London, whose evidence was to the effect that Miss Cook had refused to deal with General JACKSON, and then of MARTIN VAN SUREN, but no man in the country was more arhim in reference to "The Old Arm Chair," dent in opposition to the latter and the advoon the ground that she had assigned it to Mr cacy of General HABRISON, and none more en-JEFFREYS. Mr. DAVIDSON subsequently obislastic in the support of Capt. JOHN TYLER, ained, for £10, the right to print and publish with whom he was a great favorite. the song from Mr. JEFFREYS. Miss Cook, on

The energetic exertions of Commodore being told of the transaction, agreed, at Mr. STOCKTON greatly promoted the introduction DAVIDSON'S request, to sit to Mr. CRUIKSHANE of steam power into the United States navy. for her portrait, to be prefixed to the proposed The first steam yessel of the navy, named heap edition. after his native village, Princeton, will long be On the other hand, Mr. KylE contended that

embered as the ill-fated ship on which Mr. JEFFREYS had shown no title to the son Messrs: Ursnus and GRAER, two members of Mr. TYLER'S Oabinet, and Mr. MAXEY, a disexcept the receipt of Miss E. Cook, which he ubmitted was not sufficient to transfer a copyinguished civil officer of the TYLER Adminis. tration, were killed by the explosion of a monster cannon which had been constructed right, and that Mr. JEFFREYS, not having a suffilent title to the song, had no right to register as his at Stationers' Hall.

t Commodore Stockron's instance, and by This case, which has passed through variou which explosion Sepator BERTON and Captain Courts of Law in Scotland, was finally decided STOCKTON received serious injuries. An inby the Court of Session in Edinburgh, in favor teresting instance of the presence of mind of of Mr. JEFFREYS. Against this decision Mr. Captain Srockron, on this awful occurrence, KylE appealed to the House of Lords, (which, vas exhibited in an order, so soon as the smoke of the explosion had cleared off and the mangled bodies of the victims were exposed as an ultimate Court of appeal, is the most powerful tribunal in Great Britain.) and after earing the argument the Law-Lords dismissed o view; to have them laid properly on the the appeal with costs. This judgment was quarter deck, and concealed by the flag of given on June 27th, on which day Lord CAMPtheir country, under whose folds they had met BELL first took his seat on the Woolsack, a their terrible and unexpected death. Lord Chancellor, and, indeed, this "Old Arm Having supported Mr. GLAY in a forme Chair" case will be memorable, not only on its election, he next opposed him and supported own merits, but as literally being the first heard

JAMES K. POLK for President, in 1844. When by Lord CAMPBELL, in his new capacity. wai was declared against Mexico, he was placed " With costs,"-Two very small words, in command of our fleet on the Pacific, and very great signification. What may have been there performed the duties of Commodore the amount of costs incurred by both parties, General, and Governor, assisting in the founduring this battle in the law-courts? About dation of religious, educational, and social \$10,000, all of which Mr. Kyls must disinstitutions, and to him, probably more than to burse. FRANKLIN spoke of paying dearly for any other man, may be justly awarded the title of "Conqueror of California," A town and his whistle. But here is a man who pays yet more dearly for his song. From this forth, in all probability, Mr. KELE will not allow such

a river bear his name in that State. Politics is a curious affair. Commodor an article of furniture as an "arm-chair," FOCETON, in a short time, found a rival for new or "old," within the four walls of his this high honor, in Col. FREMONT, and strange to say, during the campaign of 1856, while house. Indeed, when he puts his spectacles on to examine the items of the bill of costs, JAMES BUCHANAN: Was running against FREfor which he has to pay about \$10,000, we mont for the Presidency, an extraordinary should not wonder if he sit-on the stool of statement appeared over the signature of Byepentance. ROSOTIA: The Nonvellate Vandois states that M. Kos-suth, with his family, arrived at Geneva, on Fri-day, July 22, and the next day made an excursion to Vevey. ITALY AND THE PEACE.

LOUISVILLE, August 11.—The steamer Mariner rom St. Louis, bound to Cincinnati, was sunk las light on the flats, twenty miles above here. On uard is under water. The beat will be raised there were no lives lost. ITALY AND THE PEACE. A letter from Venice of the 15th July says that the only term to express the public feeling in that city is simpefaction. Nobedy can comprehend how or wherefore peace was concluded. Stupefaction is pictured in overy froce, and for three days the an-nouncement of peace was regarded as a mystifica-tion. The first proclamations were torn down by the people, and for so doing many persons were arrested. Private letters just received from Italy inform us that the peace is becoming more pepular with The Texas Direction. NEW ORLEANS, August 12.—Sixty-eight counties of Texas have been heard from. They give Sam Houston, the Independent caudidate for Governor, 4,400 majority. Hon. John H. Reagian (Doml.); in the Eastern district, and Jack Hamilton (Ind.); in

rivate letters just received from Italy inform us that the peace is becoming more popular with the inhabitants of the various States. The *Tuscau Monitore* tells the Italians that they have now their destiny in their own hands. It recommends them to provide themselves with arms, in order to be able to avail themselves of the advantages af-forded them, by the arrangement to be shortly concluded at Zurich. THE FAPAL STATES. The Maniars of Belgame of the 90th multiplicity

concluded at 20176n. THE PAPAL STATES. The Monitors, of Bologna, of the 20,th publishes the following decree of the Council of State: . "There shall be instituted a Council of State or provincial juntas. This Council shall be pre-sided over by the Commissioner Extraordinary, or one of the managers of the governmental section whom he may appoint. The Council shall nost or-dinarily once a veck, and on extraordinary coca-sions as often as the Commissioner thinks fit." The same journal states that henceforth there is for the Italians only one Italy and one fag." In-dependence, Hberty, and law." A letter from Kome, of the 23d ult., states that M. de Meneval, Aid-de-Camp of the French Em-peror, had arrived, bringing a letter from the Em-peror, has a these informative gue by the French Ambassed or in 1867. The following points are specified:

pooified : 1. Admission of laymen into cabinet or ministe

retary. 2. A State Council, on the model of the French

Conset d'Etat. 3. Consulta of at least forty members, whose vote shall not be simply consultatif, but indispensable, for all iaws or taxes. 4. The members of this Assembly to be elected y the municipal bodies. 5. Contralization to be abolished, and the remote bers of this Assembly to be elected

vinces to be under the *bona fids* control of their, pective municipalities. rovinces to be drawn up similar to that of Lom-sergective municipalities. 6. A code to be drawn up similar to that of Lom-Jardy, or the code Napoleon. 7. Lay tribunals, with a Court of Appeal, sitting at Rome, half composed of lay and half clorical index

SARDINIA.

TURIN, July 29.—It is announced from Bologna that the Government of the Romsgna has adopted the Code Napeleon. This measure has been re-ceived by the population with great enthusiasm.

Territorial 'aoverships' Forman. TERRITORIAL 'aoverships' Forman. Sr. Lours, Aug. 12.—A special despatch to the *Republican* contains dates from Denver City to the 3d inst. A convention of 166, delegates was in session for the purpose of taking 'the necessary stops to form the country adjacent to the mines into a Ter-ritory, to be called "Jefferson." It is the inten-ritory, to be called "Jefferson." It is the inten-cognition, and the establishment of a Territorial Government. THE WRITE MOUNTAINS.—A friend of ours writes o us that, at the summit of these colebrated resorts, on he 10th day of August, with a bright sun shining, he ound heavy woollen clothes and a stont overcoat not ucomfortably warm. Snow still continued in some laces to the depth of several inches, and the waters of ne springs that abound in the vicinity, were say cold as the. In winter the cold on these mountains is most bri-br; and even in summer it seems necessary to carry a upply of warm clothing; gotton up at the palatilat lator f Granville Stokes, No. 607 Chestant street. The Money Market. PhilaDECENTA, August 12, 1859. Forty-sight hundred dollars in loans and bonds, and three hundred and three shares ofactok made up the list of sales at the two last meetings of the stock-board to-day; City sizes railroad insue cold at 09; Pomaylvania Railroad shares at 33; Now Creek at ; Reading Railroad stock was sold to the extent of five or six hundred shares between boards, the last sale being reported at 215; i better than at the first board. Peterson's Counterfeit Detector for August 15; is published this afternoon, with its usual interest-ing contents for all whose business brings them into the oreceips of many bank notes. Fifteen new com-terfoits have, been, put in circulation since the be-ginning of the month. The railroad receipts for July, as they are suc-cessively reported, show a heavy deeline in busi-ness, compared with 1858. There is no doubt that this is but the natural, and, indeed, inevita-ble result of the successful practice of the art of outting, each other's threats. They no sconer-make lengues and compacts with each other than they break thom; and it seems utterly impossible for a railroad comparts with each other than they break thom; and it seems utterly impossible for a railroad some support press has arrived at upon this subject, is that, "raineous compution" will continue, despite of all agreements. It says: "A few weeks since the agents ander instance of the worthlessness of these agreements. It says: "A few weeks since the agents agent of the New York Central kicked the traces and cut the rates, ho having taken wheat to New York at 35c, being 8c, below the, agreed price. As an excuse, Mr. Buck says the wheat would not have been slipped to New York at all if he had not taken it at 35c. The Western line earried it to the lake at 100. and the New York central received 25c. for transportation thence by lake and rail, and busi-ness at these figures is preferred to no business at all. The agreement, we suppose, is now ou Preparations at New York for the Re-
