extension of the railroad, which then stopped at Broad, down Market street. But the plan does not A prime were now were now using developing use, our felower interview of neurons were now using the beam resconding. As stated, and use into the neuron of the neuronality developed of the interview of neurons.
 A prime attract the present difference interview of neurons.
 A prime attract the present difference interview of neurons.
 A prime attract the present difference interview of neurons.
 A reg attract the present difference interview of neurons.
 A reg attract discours at the neurons.
 A reg at seem to have met with much favor ; the railroads, which were new things, were more dreaded than or our viewards have the descent of the second introduced here. It describes Market street in that year, the author not having sufficient time to go over the other streets: "A toleswards hiroad stream the view begins, Where jutting wharfs food-freighted boats take in; Then, with the advanced rour sore : Wide opes the street, with firm brick buildings high. Stop zently, rising o'er the pebbly way, And see the short here to mover so : Wide opes the street, with firm brick buildings high. Stop zently, rising o'er the pebbly way, And see the short here. I serve i'r alls molest, I'r Frost with samshine.) Here, i'r alls molest, Phin-surfaced flavs and smooth-laid bricks invite Your tender feet to travel with delight, And Yew-Bow distance from the key-built strand Our ouurthouse fronts Cossno's pine-tree land. Through the arched dome, and on each side, the street Divided runs, romote again to meet. Hore Eastward stand the traps to obloquy, And petty orimes, stocks, post, and pillory ; And (twice a week) beyond, right, stalls are set Loadod with fruits, and fowls, and Jersey's oncet. Westward conjoin the shambles grace the court; Brick-rise their long-extended rof, support; Of west from these, the ocumitry wans are seen To crowd each hand, and leave a braddth between : 'Yet, wider still, (such is the dily's caro.).' To right and left, strong bars a passays spare; South of the mart a meeting-hame is rear'd. Where by the Friend (so called) is Christ rever'd; With stone and brick the lasting runs are made; High raised the roof, and wide the rafters spread. Within a voipe of this if how reset designs in ar. The forging shogs of sooty smiths are set. And we be rock-bailt prison's dreadful face. 'Ywixt and boyond all those, near twice as fir As from p sling a stone might pass in an. The forging shogs of sooty smiths are set. And wheelwrights' frames, with yecant lots to let; An wighborhood of smoke and piering dins, Prom trades, form prison grates, and public inns. From trades, form prison grates, and public inns. From trade end of High street, just above the carner of Fifth street, on the south side of the way, between whole square vas lfudson's, apple-orehard, and was once rented by the late Timothy Matlack, who died quite recently, at an advanced uge, for ight dollars a year, for a horse-pasture. The pond was about four fect deep, and a great place for kating in winter. Whon, as montioned in our account of the State House, a party of unpaid soldiers in June, 1783, demanded of Congress a settlement of their accounts, they marched from the barracks, in the Northern Liberties, down Fourth and up Market, to the office of Robort Morris, the superintendent of finance, at less than to Washington. When the credit of the Government was worth nothing, Morris raised the

And your have a vesh by some density and between the source of the source

santry and habitual good humor.

First street, on the south side of the way, between John Kinsoy's and the widow Kenmarsh's, as al-most impassable after rains. There was quite a pond here, extending up towards Sixth street. The house of Mr. Kinsey, a two-story double-front brick, standing, till quite recently, the third door west of the corney, was used from 1751, for four or five years, as a hospital, previous to the orection of the present Ponnsylvania Hospital buildings. Oppasite to this, on the north side of Market street, was another pond, celled Hudeon's. The whole square was Hudeon's apple-orehard, and AN OLD RESIDENT GONE .- JOSO JOAQUIN

HIGH PRICES FOR TOBACCO .-- From the ad-HIGH PRICES FOR TOBACCO.—From the ad-vertisement of Messrs. J. H. & S: Tyree, published in to-day's Virginian, it will be seen that these gentlemen have been getting more extraordinary prices for the weed. The prices range from \$24 to \$71, and average for the 27 bores and hogsheads about \$40 per owt. Our manufacturors have, dur-ing the present season, paid higher prices for to-hace than have been paid in any other market in the State; and so long as the plantars bring a good article to market they mov expect these high prices to be maintained.—Lynchburg, Ya., Yirginian. THE DIFFICUTIES IN MINNESOTA.— The there companies of millitary seast from \$24. The Companies of millitary seast from \$25. The DIFFICUTIES is MINNESOTA.— The

The DIFFICULTIES in MINNESOTA. — The of Robort, Morris, the superintendent of finance, at the northeast corner of Markot and Fifth stroots. When they arrived there, Morris was not in, but offered to show them all the books and papers, but *had to money*. Mr. Watson received this account from Dr. Bousell himself, the newspapers of the time onitted to mention the circumstance. To Robert Morris, the particit financier of the Berolution, ittle southry is indebited for its freedom, perhaps, little tess than to Washington. When the credit of the

not hound to fonce against cattload to have to hound its fonce against cattlo, and that they are liable for gross negligence only in cases of injury to cattle wrongfully upon the track. Railroad companies are bound to use ordinary care merely. This decision is in accordance with the recent de-cisions of other States, and it behoves those living upon the lines of railroads to take care of their cattle. panied with a species of plea

RECEPTION OF BALTMORE MILITARY——The Gity Guard of Charlestown, Mass., hearing that the Baltimore City Guard are to has through that town next week, on route for Manchester, N. II., have unanimously voted to itendify them an escort on their arrival; and the hospitalities of the corps during their sojourn, in return for the attentions received by them on their excursion to Washington. I RAVY REWARD OFFENED.—The City Coun-cile of University of the other offered a reward of the argent of the soft offered a reward of the soft of

J HEAVY REWARD OFFERED.—The City Councils of Cleveland, Ohio, have offered a reward of two ibousand dollars for the barrest and conviction of the murderer of the late E. T. Sterling. The county has also offered a reward of oho thousand dollars. The sum offered by Mr. W. J. Warner will make the reward amount to three thousand five hundred dollars.
 THE functal of Henry Chapman, the Preston incondiary, took place at Griswold, Conn., on Thursday. The number of people in attendance was very great, and lundreds were unable to get into the oburdy where the services were held. The body was very much decomposed, although Chapman had been dead less than thirty-six hours.

THE CREW of the United States steamer Vixen wero paid off on Friday at the Brooklyn nary yard, and discharged. The ship has gone out of commission for repairs.

A commission for repairs. A. H. Howsen, who was convicted of the aurder of Farris in Alissouri, has had his sentence ommuted to imprisonment for life.

PERSONAL.

MRS. MARTHA E. PASCHALL, wife of the senior pariner of the St. Louis Republican, died in that sity ou the 4th inst., in the fiftieth year of her age.
