roceived a blow on the head with the butt end of a riflo. During the riot, Lient Bpear took four rifles from the Germans, and kept them until the company left the wharf. The Thomas A. Morgan resolved Tacony at seven o'clock, when soldiers, polleemen, and rowdies em-barked for the city. (Dn life way down the river, a disposition was manifested on the part of the row-distorting order. Intelligence was communicated the soldiers to discharge their rifles in the air, and succeeded in restoring order. Intelligence was communicated to the Central Station, and a posse of polleemen were sent to Pop-Inr-street wharf, in the event of a renewal of the disturbance on their arrival. As the company marched in p. Poplar: street, the rowlies followed with grosns and hisses, and one of the soldiers was struck in the head and falled to the ground. We did not ascertain that any arrests were made. The affair orostod & great deal of excitement, last eren-ing, and many completing report. was being of light draft, can penetrate waters too shal-low for those which have heretofore been on that
coast, besides having the advantage of steam.
Hence, slavers will be more closely purshed.
The joint treaty with England requires that the United States shall keep there a force of eighty guns, but by the recent arrangement on the part of the Administration the number af our guns will be one hundred and sixtees.
Mr. Birney, who succeeds Mr. Morse as Naval Storekeeper, wontout in the Constellation, with instructions to remove the navil depot to the Afri-can Squadron from Porto Brays to San Paul de Leando, which is three hundred and thirty six miles distait from 'Porto Prays.' This new dopot will consequently be much nearer than the former to the principal points of traffic on the coast; and will, in a great measure, obviate the necessity of long ornises.

Further from Mexico.

grievances under which passengers isbored owing to the miserable accommodations that wore offered them, but owing to its length, and a press of hows matter, we exampt, find room for it. It says that "man, women, and children were oranmed to geher; until the ears; formed one dense mass of human flesh, in such uncomfortable proximity that it was difficult for one to "kall without the whole mass tumbling down together; and evan while the cars were thus packed, the tloket agent was indus-triously engaged in selling tlokets, when he knew that the train was literally packed, and that, it would be impossible for those who purchased them evan to procure a standing place, at the risk of life, and limb, upon the platform of the cars." The company or its employees, were highly censurable for not furpiabing comfortable accommodations to all who sught their conveyance, and 'for continu-ing the sale of tickets when they discovered that

MEETING OF THE BOARD OF FIRE DIRECTORS.

RAILBOAD AOGIDENT....At three o'clock yesterday afternoon John Dean, a team-driver, whilst operating the lever of a defective hrake, on a freight car belonging to the Media Railroad Company, in the neighborhood of the Marksef-ätroet bridge, was precipitated from the platform, and in the fall had his right foot caught between and ornshed by two 'i bumpers." He was taken ig the Lanoagter Gynnty Hotel, and placed in the hands of Dr. Gox for surgical treatment. Riorous Consuct....On Bunday morning, be-tween three and four o'clock, the runners between two rival companies got into a wrangle at Eighth and Filbert streets. Lieut. Patton arroated two of the participants -a colored man named Charles Burn, and a white man named Alexander McEwen. The latter had a brick, and a case-knife in his hand, ready for use. Both wore taken before Al-dorman Hibbard, and hold in §000 ball to answer. Discutazions....Alexander McCauglin, the, balaness the Roard adjourned, after having been in session twenty-five minutes. "MEETING OF THE BOARD OF FIRT Directors. —The regular stated meeting of the Board of Fire Directors was beld last evening, at the Hall of the Fire Association, southwest corner of Fifth and North streets. The minutes of the last meeting were read and approved. A communication from the Chief Engineer, an-mounoing the supension of the Western Hose, was received and accepted. Samuel P. Fearon, Chief Engineer, asked the permission of the Board to say a few words. Con-sent being granted, the Chief went on to say that he folt sure he was addressing 'a body composed of the best firemon in the city of Philadelphia, and one composed of mou who folt a lively interest in the welfare of the valuateer fire department. The four of the fault of the present department, and of the fault or substituting. They when not he basis, of the present department, and of the fault of the present department, and of the fault or the present department, and of the alone. The firemon, particularly when not he corders of himself or assistants. When men got a stream at a fire they were wandonly reckless in the management of it. If they could not play into the burning building they would 'play, on the one next door, even if it was not burning. It was not pleasant for him to use fares, nor was it plea-sant for him to be abused, yet he could, uot get along without his orders wore oboyed. A volunteer fire company should be live a volunteer military for company, and should be under a management as admirable. The present course of the fire dopartment, ment and to hease alone, should the management of us fire dopartment was calculated to break it up, or to bring it into bad repute. The Chief con-tinued at some longth in this strain, impressing upon the representatives of the company should be inker doman Hibbard, and hold in \$600 bail to answer. DISOHARGED.—Alexander McCauslin, the, Jriver of the furniture oar which ran over and killed, the child named Smith, at Thirteenth and South streets, and who was arrested soon after, as montioned in yesterday, morning's Press, was dis-harged yesterday. It was in evidence, before the oproper's jury, that the horse was unmanageable and the accident unavoidable. McCansiin was thrown out of his vehicle and badly bruised him-ielf. STABBED .- A man named William Stewart

STABBED.—A man named William Stewart broke into a house in Howard street, near Jeffer-son, about 11 o'clock last evening, and stabbed a man named Thomas Davis, whom he charged with being too intimate with his (Stewart's) wife. Mrs. Stawart also received three scrious wounds.; Stewart was committed by Alderman Devlin to answer at court. . OGNMITTED on SUSPICION.—A wonnan giving.

. DiAMITTED ON SUBTIDION. -- A would giving the name of Eliza Rogers had a hearing yesterday morning, and was committed to answer the charge of having stolen a lot of goods which were found in her possession. The goods consisted of a lot of wearing apparel, table cloths, and other articles. They are now at Moyamensing Hall, awaiting an where.

ADMITTED TO BALL .- Peter Sanford, the lad who was arrested by Officers Bartholomow and Franklin, on the charge of robbing several hotels, was released on hall vestorday affernoon. Alder-man Beiller took the bail, the lad's grandmother man Heitler took the ball, the lad's grandmother going security. Some sympathy is felt for him, on-the ground of his being a victim of had habits and or il companions. The amount of the hail was \$3,000. 'C AN' METRIXO' AT MERIA. --There vas a great orowd of visiters at the Media camp-meeting on Sunday, most of whom went from this eity. The gentiomen who trayed on their symmetrical fingers were about, as a man had his pocket picked of a ite about, as a man had his pocket picked of Id watch and jowelry to the value of \$200 at th pot, at Eighteenth and Market streets. CONVENTIONS.—The Senatorial and Legis-lative Democratic Conventions for the purpose of choosing candidates for the Senate and House of Representatives, and a city. Convection for the count of common Pleas and District Attorney will be held to day. The Court Convention-meets at ton c'clock, and in Spring Garden Hall.
