We also understand, that the proceedings thus far have been harmonious.

far have been harmonious. Messrs. J. H. Purdy and David Brooks repre-sent the interests of Philadelphia.

The "Music-Teacher" Swindling Affair. THE SWINDLER ARRESTED AT WASHINGTON!

THE SWINDLER ARBISTED AT WASHINGTON! WASHINGTON, Sept. 2.—The scoundrel who re-cently brought; from Philadelphia to New York, fifteen young ladies, undor the protence of taking them South as school and music psobers, and then robbed them. of their money and baggage, was arrested. here to night, by Chief of Pollos Goddard and Licutenant of Police MoHenry. He was recognized as Hiram P! Lesile, hereto-fore temporatily employed as a laboror in the Patent Office. Some of our own elitren had been swindled by him. His valies contained a large number of let ters from various parts of the country, the contents of some of which show that he has travelled South and was extensively engaged in dishcoast schemes. Ho has a wife living in Washington. Two large travelling to his vicitms. He has been committed to await the requisition of the Governor of New York. Lesie had no person with him when arrested. He took todgings last night with his wife at her re-sidence, There is no probability that any of his ylotim came South with him.

From Having The Cahawba at New Kork, QUIUK PASSAGE.

NEW YORK, Sept. 2.-The steamship Cabawba

from Havana on the 30th, arrived here this even-ing. The advices, which are only one day later than those furnished by the Anaker City, are unim-portant. The Cahawba left Havana on the ovening of the 20th, and made the passage from New Orleans in six days and eleven hours, being the shortest trip ever made via Havana; The health of Havana was improving. A party of Americans obtained permission to im-port cattle from Toxas, for six months, free of duty. The stock of sugar st Havana amounted to 140-000 boxs. rope for the purpose of having an oportion per-formed upon his supplies of having an oportion per-formed upon his supplies in untrues. He loft here for Philadelphis two days ago, and although suffering much inconvenience from a defect of vision, I have

They do not intend to extinguish any interest, but are willing that the lower inter-ests should do away with any proceedings of the lat mortgage holders. If an angigable forecleave on the first mortgage is e discotted, they will apply the net profits of the road for two years, if the first chutch folders do likewise, to extinguish the lia-bilities of the directors of the road. If in two years the second and third mortgages and stock-holders will come forward and pay interest, they are willing the give it up to them. They are there-by allowed two years to get hour own. Mr. Harrison stated that the ohattel mortgage bondholders have a right to hold on to the security intended for them in the beginning, and that the members of the company will surrender to the trus-tees all chattels hold by them. In view of which, he offered a resolution; That the proposition of the managers of the W. & E. R. M. Company, in their elroular, over the signature of their necessary to take any action on the subject, and this resolution way not agreed to. . Mr. Intrison the moved that a committee of five be appointed to confor with the parties in interest with reference to securing to the fulles extent possible the intersecting any action on the subject, and this resolution way not agreed to. . Mr. Harrison then moved that a committee of five be appointed to confor with the parties in interest with reference to securing to the fulles extent possible the intersect of the ohattel mortgage bondholders, with instructions to accertain any near as any be the present value of the othe this any upon the road, and to report at an adjourned meeting. NEW STYLE OF PASSENGER RAILROAD CARS. NEW STYLE OF PASSENGER RAILBOAD CARS. —A number of one-horse cars have been put in operation on the Teanth and "lifeyonth-street Pas-senger Railway for the purpose of conveying pas-sengers over the Poplar-street branch of the line to Ridgo avenue. They have but one entrance door, placed in front, and upon arriving at the terminus the dar is turned by the body revolving upon pi-vots on the axles. The conductor is disponsed with, the driver collecting the fare. The same line is also haring constructed a four-borse steam engine, which, in a few weeks, will be applied to one of the entry, by way of testing its practicability. cars, by way of tosting its practicability. GAN VENYAGY OF FIEMEN .- There will be a Convention of delogates from all the steam and hand fire engines in the United Extract, is he hold at the office of the .State Agricultural Society on the 13th of Expremieor. The Convention will con-sist of one delogate from each steam and hand on-gine. The objects of it will be to form riles to govern the contest for prizes offered at the Powel-ton exhibition. An invitation to participate in the contest and Convention has been extended to all the companies in the United States. This MOVEMENT which has been on foot for the companies in the United States. THE MOVEMENT which has been on foot for some time for the establishment of a park at Sixth and Brown streets is being vigorously pushed to a successful conclusion. A meeting of the citizens of the Tweifth and Thirtconth wards in favor of the movement was held on Thursday evening. A large number of politions, properly signed, were presented to the meeting. The petitions will be presented to Council. upon the road, and to report at an adjourned apon the road, and to control of the series. The motion was agreed to, and Messrs. Ass Whitney, E. W. Clark, B. Morris Waln, A. W. Davis, and Josoph Harrison, Jr., were appointed the committee. Adjourned until Tuesday noxt, at same time and place. DEATH OF A LITERARY MAN. Mr. H. N. PHILADELPHIA STOCK EXCHANGE SALES. September 2, 1859. BEPORTED BY MANLEY. BROWN, & CO. GELEBRATION .- There will be a celebration of the O. U. A. M. at Germantown on Monday. After the procession and banquet the participants will be dedressed in the orchard of Mr. G. Donat by Hon. E. Joy Morris, Philip S. White, J. W. Burns, William D. Manu, J. R. Flanigen, and Wil-lan: Moran, Esqs., and other members of the Or-jer.
