NOON-DAY PRAYER MEETING.—These meetings, since their return to Jayne's Hall, have been very largely increased in their attendance. The toom was yesterday nearly filled, and the expresses were of a deenly solemn and interesting character. They have now been in existence nearly two years without inter-mission, and their spirit and uniform interest through-out have afforded the best proof of the practicalisity of this religious enterprise. There can be no question that the moon-day business-mor's prayer mooting has really become what it professes to be, a " permanent in-stitutan,"

ANOTHER AURÓRA OCOURTED at San Vicente, of which we have the following account: "An immense conical cloud, of black color, suddenly rose, and imme-diately after a still larger white one, surrounded with goldon and blue rays, which assumed all the colors of the rainbow semal conical clouds appeared at the same time, at both sides. In which lemon, green, and violet colors predouinated.- This spectacle lasted unit a vio-lant storm dispersentation of the interior of the palatial Clothing Store of Granville Stokes, 607 Casstaut street.'

Washington Affnirs. WASHINGTON, Sopt. 7.—Some time 'ago, Caplain Stone made a full statement to our Government of the circumstances attending the expulsion of him-isoff and other Americanas from Sonors. This act of Governor Pesshiars being clearly violative of the provisions of our treaty with Mexico, the pro-per messures have been taken for the protection of United States citizens in that quarker, and institu-tions are now on the way for the purpose. Lists of public lands, cathracing an area of mar-iy 172,000 acres, inuring to the Sonthern Minis-sippi Railroad, under the act of Angust, 1856, lave been certified to the State of Mississippi, by the Secretary of the Interior.
