821 CHERRY ST., AND FIFTH AND COLUMBIA

LOOKING (

as a Venus, by courtiers and noets anced zeen) VICTORIA, Empresine of Briecause she was Queen. ain), would se' the case as well as any; but Soon after her marriage, a rumor wen this would be best left to her Majesty's choice. abroad to the effect that Queen VICTORIA, Of course, the Royal Family would assume who has quite a woman's liking for parade and the title of Imperial Highness; but I protest show, pomp and splendor, was anxious to as-sume the title of Empress. Immediately, that should be reserved as the first title of Railroad, for neglect of duty in abandoning the

some "devoted and loyal subject" put forth a honor for the subject. The Royal or Imperial mails on his route without leave manifesto in favor of the change. It was Family should be princes, and that title should originally printed as a placard, and pasted on not be extended to a subject. The Princedom some of the dead walls of London. There is Wales is too dear to our history to be Foster has accordingly been admitted to ball in the we saw it, and with the rest of the world, parted with; and why not the Prince of York, sam of \$5,000. aughed heartly at its absurdity, only lamentor the Prince of Kent ?" ing that it was impossible to procure a copy Be it remembered that the man is not jestof such an unique production. Subsequently, ing. He is making a proposal in very carnest. town, Connecticut, on Sunday, 25th ult., and has however, the author extended it, and put Empresine (pronounced zeen) of Britain !-lished it in pamphlet form under the title There is a spick-and-span new title for you. There is a spick-and-span new title for you. As Bombax makes Bombasine, so Empress 19 to form Empressne (pronounced zeen). The dots of the aids to the dovernor of Keetneks, with "Why should we not have an Empress?" Yesterday, looking over a pile of old autographs, (some of which we may write about ere long,) farce of humbug can no farther go! Consider this self-same pamphlet turned up among that Emperor (Imperator in Latin) is a military title, and therefore unfit for a female. Engthem. Let us notice it. The author simply styles himself "W. B. land achieved her greatness and wealth as a pparently being on ) of the class who "Do good by stealth and blush to find it Fame."

Kingdom. Englishmen, it is supposed, are New Hampshire satisfied with their Queen, and an EMPRESINE The publication, we see by the imprint, was | (pronounced zeen) they do not absolutely n 1847-the year of the famine, when the require Absurd as this Empresine proposal was, we United States relieved the necessities of starying Ireland, weeks before John Bull did any found a match for it. About the time when | tary writer. thing more than hold out vague promises of we first saw W. B.'s precious pamphlet, we relief. Nevertheless, W. B. opens with a fell in, on a railway journey, with an odd-lookflourish about "the improved state of the ing brochure, which we rapidly glanced through. country," and, writing as an Englishman to It was called "Vox Vera; or, a Sketch for the his fellow-subjects, says, "We ought to be Future;" it professed, appropriately enough proud of the position we hold among the na. | to be written by one "Simplex ;" it contained tions of the earth, and individually grateful 68 pages: it was published by LUMLEY, that we repose under the shadow of the Bri- Chancery-Lane: it had a sort of tri-color bindtish flag." Praise of England, without a ing, suggestive of Revolution. It suggested fling at America would be singular, judging that the wealth and property of the country from the general habit of British pamphleteers, should be distributed among "the lower classso W. B. adds: "Wo see a great nation, with es,"-that no new Peer should be created :leas springing from the same source with ourthat the Baronets should be admitted to some solves, sporting the cap of liberty with the of their asserted rights :- that Governmen auntiest air, and yet so blinded by its gaudy should purchase, on liberal terms, the titles of immings, as to conscientiously think themresent impoverished Peers :- that it should selves justified in keeping their fellow men in hold those titles in abeyance for gratuitous bestowal by the Sovereign as the reward of slavery." And then, says W. B.,-the sublime anonymous of pamphleteers-" The merit, or sold, at a profit, to the moneyed posessors of large landed property. Americans will never be able to see the sun in

his full splendor, unless they wipe their The Empresine (pronounced zeen) proposed by W. B., should should have a suitable minds) eyes to look at him." This rhetorical burst is followed by a disser. palace. With great liberality "Simplex" tation upon Queen VICTORIA's refusing to con- would provide one on an unique and extensive scale. The idea of the giant sitting on a rock sent to Sir ROBERT PEEL's requirement, once upon a time, to part with certain of her bed-chamber women. Here W. B. is wrong in the date and the fact. He says, "I have often upon a time, to part with certain of her bed- | and bobbing for whales is not half so magnifithought with humbled feelings of what occurred at Sir ROBERT PEEL's advent to power, about six years back; I have often thought I must have btained a wrong idea in the matter, and shall be truly worthy of the Sovereign of such an empire. Let Windsor's venerable pile behould be relieved to find it really was the case. come merely the occasional country residence My impression, however, is, that when her Maesty requested Sir ROBERT PEEL to undertake of her Majesty, and the shooting-box of the the Government, he declined to do so unless Prince Consort ; and should our gracious her Majesty consented to dismiss both her Queen still love the fair little isle off the anchorage of her noble navy, let East Cowes state and private attendants ;- that the Qucen, castle be her marine palace—and let another palace be erected on the island [Isle of Wight] for the educational home of her illustrious off-spring—of which let Osborne house become the porter's lodge; Carisbrook its keep; Ap-the porter's lodge; Carisbrook its keep; Apnaturally clinging to those she had been accustomed to, objected to part with her private palace be erected on the island [Isle of Wight] friends, and requested Lord JOHN RESSELL to for the educational home of her illustrious offattempt again to carry on the Government; that spring-of which let Osborne house become the attempt failed ; Sir ROBERT was inexorable; the attempt failed; Sir ROBERT was inexorable; the nation was blinded by protecto-mania, and did not rise in her defence, and her Majesty was compelled to dismiss her private, as well us state attendants, and accept others in whom she could have no sympathy; and, in fact, forced on her by the imperious will of her tion that they allowed this thing to be done; but mixed with the excitement of the time, it passed with little notice." When W. B. wrote, it was more than eight years before, and not six, (viz: in the spring of 1839.) when PEEL, having been required to form a Cabinet, expected, of course, that the wites, and daughters, and cousins of his po-wild birds, with respectful awe, fluttering the part is bused as the transformation of the singent of the singe the nation was blinded by protecto-mania, and puldercombe for the Lord Steward of the

form a Gabinet, expected, of course, that the pring matter of the full are, fluttering husband had not traced them certainer, wives, and daughters, and cousins of his po-wild birds, with respectful are, fluttering ther than Cairo not at all. Subsequent around. (!!) Let one of the now rugged parture on the Giadiator, it appears i litical opponents should not be continued in around. (!!) Let one of the now rugged ttendance on the Queen. Their own sense cliffs be made smooth for a racket-wall; let of propriety should have made them resign; Swinston become the cricket-ground; and the out this they did not do, for they were playing whole island one fair demesne, protected by a keen political game. They did not resign, its precipitous boundaries and a fleet of menin order that they might compel PEEL either of war. And would not the noble and amiable to enforce their dismissal, or serve the party possessors of these places be proud to pourpose of the Melbourne party, by enabling itely and respectfully resign them for such litely and respectfully resign them for such worthy purposes in exchange for others? [No doubt of it, or to give up their heads, as ic loyal' subjects, if desired.] There being married a second wife, it seems, combined with them to say how hard it was to ask the Queen " to part with the friends of her youth." Her Majesty, it happened, had scarcely ever seen "loyal" subjects, if desired.] There being a loyal" subjects, it desired.] There being no sacred law of territorial division affecting our part of the globe, to prevent the monarch's treatment. The sufferings of the little child one of these ladies until she became Queenour part of the globe, to prevent the monarch's she certainly had not known them. PEEL deshe certainly had not known them. PEEL de-clined taking office with the nearest female relatives of his opponents surrounding the person and influencing the mind of the Sovereign. So has declined forming an Ad. Carisbrook, and build the palace, &c., &c.,

person and influencing the mind of the Sovereign. So he declined forming an Ad-ministration then. The nation was not "blind-ed by protecto-mania," as W. B. says. The Queen was not compelled "to dismiss her private as well as her state attendants." bit up a big house for his Sovereign, when private as well as her state attendants."

Anthony will hold a Woman's Rights Conven at Martinsburgh, N. Y., Sept. 16. P. T. Barnum still does an occa lesture. He talked temperance at the Bridger
