A GOOD WORKS, Who is very fond of using large words, sent for us to preactibe for a head ache, the result of a violent fail. She assured us that she "fell down" and struck her head " with such streeding violence on the stop that the waan't conscientions for some hours." It docurred to us that if fails were productive of that condition, a large portion of the human family must be in the daity habit of knocking their heads on the steps... The Scaper.
