Congress, and American Alinater to Asplos. 1 volume, 12mo, 31 23. This work is devoted to an inquiry whether occa- sional interferences from another world in this be reality or delusion. It treats of the phenomena of Bleop, Dreams, Somnambulism. It examines the alleyed evi- dence for Presentiments, Becond-strath, House-haunt- ings, and Apparitons; referring to the most approved modern works on Hallucination, insanity, and the Ner- vous system. It inquires whether, when we set down the narratives of all ages (including our own) that teuch on the puryles referred to as near a vulcargueratilions.
