Markets, DECEMBER 9th, 1859.

Deckupan 9th, 1850. The produce markets generally have been very do'l since earlast review, owing in a great masure to the bad weakher, and there are but few important changes 'to note in any of the leading articles. Breadstuffs more of slowly is a foot previous quoted rates, and the prices ef Flour and Wheat close in favor of the buyers Bark is sho very inactive and prices irather weak. (Cosl has been fest sative but prices are steady. Cotton has ruled dull at quotations. Coffee continues, firm, but the de-mand is limited. Fish are selling cloyly at quotations Prois continues active and prices about the same Hides are very. dull. Hops are firm. The Iron market prises on the birds ince market prices in restrict there is are very dult, and prices in prices. Navid Extra are very dult, and prices more dott housed. Not the doines. Taketer, is, but little inquired, for. Provisions are inactive. Pork has improved, in conse-quente of a speculative incoment in the Weat, and an is a speculative movement in the West, and an vance in neigh boring, markets. Rice is steady. No isn's in fait. Cloversced is in moderate request, at rmer quotations . Sugar is in light stock and firm 'with

Simmer guigations. Sugar is in jugitatook and firm with but little sollins. Tallow, Teas, and Tobacco yei dull.
