A series of the Cablinet officer, for a district attorney, for a 601-lector of a port, for a postmastor, for a light-house keeper? All these classes of officers are being re-moved now, except Cabinet officers, for holding the same opinions. If you wore to nominate for the Presidency a man who proclaims to the world this presentptive policy, that every man holding the opinions I do is marked as a victim for vongoance' the moment your candidate is elected, what chance have you of electing him ?

Subnose have you of electing him?
Mr. DÁvrs. Will the Senator from Illinois allow me to ask him a question just there? It is simply this: do the Democratio party say you are unfit to be chairman of a committee? It has been mitted to be chairman of a committee willing to give the chairmanship of a committee where you would not necessarily be our organ in relation to the Territories, and this particular control will reveal to both.

Mr. Davis. If I am not mistaken, this is not the first time is similar proposition has been made to the Sontor. The first time is similar proposition has been made the position of the party. Mr. Dovaras. On that point I will say that a proposition was made to me, of which I did not feel at liberty to speak, by one respected gentie-man and Sentor who holds the position of head of a committee, on his individual authority, without any authority from the caucus, to know whether I

any authority from the caucus, to know whether I could accopt it. Mr. DAVIS. I think that Senator perfectly well understood that no war was made on the Senator from Illinois by his Democratic brothren of the Senate, and when he made that offer to him he perfectly well understood that he was running no inzard. Mr: DOUGLAS. I was going to say on that point that I roturned the answer frankly, that while I did not seek the chairmany of the Committee on Teritories, did not desire it, and yot did not de-cline it, I could not accept the obairmanship of any other committee.
