THE PRESS.--PHILADELPHIA, TUESDAY, JANUARY 17, 1860.

The Press

We have read the speeches at the great ova-

tion at the Academy of Music with some in-

terest; and we are happy to applaud the spirit that originated and controlled it. We do not by

this mean to say that we know the personal mo-

tive at the bottom of it. Nor do we desire to be

understood as sympathizing with the Bour-

bon spirit of Mr. BAILIE PEYTON'S speech,

who talked as if he thought he could make a

Administration members of the House for

Speaker of that body, supposed he might in-

dulge himself in a very foolish threat that the

Union might break up in a certain contingen-

cy. Mr. PETTON is evidently of the class who

think that "a Union party" is to be made by

attacking the two great parties of the country;

born in the North, and resident in the South,

and Mr. MAYNARD is of that other set, who

It reached, in 1850, themselves in intimidations against the Union. 53,626. New York contained 49,069.

With neither of these expressions can we have any sympathy or co-operation. But the evident devotion TO THE UNION OF THE STATES Tius, in the District of Columbia, in 1850, THAT INSPIRED the masses of this meeting we 19.46 per cent. of the whole population was heartily sanction and cordially great. In this sense we hail the speech of the venerable JOHN J. CRITTENDEN, of Kentucky. He snoke at the ovation referred to like patriot and a gentleman. He never descended to little and low flings against any great party, and he has lived long enough to dare to say that the idea of dissolving this Union was an almost treasonable impossibility. He looked

to a Union party as against the two great parties North and South, like a patriot, treating both with consideration and respect, and he took great care, while asserting his own opinions, centage of decrease in the Southwestern never to attack the motives of others. And. States was 19.52 per cent., while, from 1830 to upon this Union came from those who constantly in good truth, he could have done nothing 1840, they had increased at the rate of 48.51 else; for had he not sustained CLAY in his great final triumph on the Compromise mea-If any such legislation as is now under dis-

sures ? and did he not come forward for Dougcussion in Tennessee and Missouri should be LAS in Illinois when the latter was struggling enforced in Virginia and Maryland, the against a combined opposition ? Such a man question involved would become one of vital can never be anything but a conservativo, importance, not only to the people of those Union-loving statesman. States, but to the people of Pennsylvania. The the old-fashioned statesmen of the day is still Middle States appear to be the natural refuge-

the out-issnioned statesmen of the day is still left to us. We are glad that he has consented to visit Philadelphia, and to speak sound, fearless sense to our people. We need more formations from the transmission of the free regression of the rease of the free regression of the sense of the free regression of the crease of the free regression of the sense of the free regression of the fr need more of such men. In this hour of travail crease of the free colored population, from we need those who can talk for the country, ir-respective of themselven. The life of one real country is the Middle States, the increase was 11.19 per cont. If the people of Maryland and Virrespective of themselves. The life of one real patriot is an inappreciable blessing to a free people. It is a great providence to such a people to feel that they have among them a people to feel that they have among them a the exodus of their free colored population, man who will not lie, and is not afraid to die, Pennsylvania would be overrun with hordes except so far as his death may harm or dislocate his country. When WELLINGTON died, all England felt that they had lost a son who would be produced as would create an intense had fought and bled, only that his country might believe him when he spoke for that country. Mr. CRITTENDEN is probably the last of his school. He has not come up to all our exresisted in a great speech the revival of the ther immig secession spirit in the South. He ought to

North, for the preservation of that instrument The Democratic party was the only hope of the country. Mr. Ilit.n, of Georgia, in explanation, said there were many gentlemen in political life who, though now co-operating with the Republicans, do not cor-dially sympathize with them. A Union party was proposed, based on principles of attachment to the florernment, and the enforcement of all laws. Would it be a national misfortune to make such a division of the Republican party? Mr. UNDERWOOD wished to know what evidence the gentleman from Georgia had that any portion of the Republicans party? Mr. Hitt.repiled that a portion of the gentle men who were gleeted on the "People's" licket had shown their nationality by voting for Mr. Gil-mer Hie hoped this alass of men would unito with the Union party, and soparate themselves from the Republicans. Mr. UNDERWOOD responded to this by saying that they showed they were sectional by voting first for Mr. Grow, and then for Mr. Sherman, a number of times. He would tell his solicague that at no time or place, or under any oircumstances, would he trust the rights of his constituents in the hands of Thaddeus Stevons, noither would he go in oplitican or place, or under any oircumstances, would he trust the rights of his constituents in the hands of Thaddeus Stevons, noither would he go in opliticant. Mr. UNDERWOOD replied that Mr. Cochrane (who was absent) could sposk for himself. Mr. UNDERWOOD replied that Mr. Cochrane (who was absent) could sposk for himself. Mr. UNDERWOOD replied that be would not break down the constitutional party at the North to make a mer party. Mr. Hitz, in further explanation, said the new

SUCKVILLE, Jan. 10. -- Ho royat main sceamsnip Europa, Captain Leitch, from Liverpool, Decena-ber 31, via Queenstown January 1, arrived at Halifax yesterday morning. The hue not baing in working order, the news had to be expressed to this place, but owing to the express-rider waiting some hours at Halifax, in the hope that the wires might resume operations, he did not arrive here till 4 o'clock this morning. The wonther was pleasant most of the way.
The usather was pleasant most of the way.< coal, against 7,394 tons for corresponding week last year, making for the season, commencing De-

his post. Licut. Bell, at Pawnee Fork, sends an escort with each outgoing train as far as Fort Union Business is very dull with the traders in the Plains in consequence of the hostility of the Incomber 1st, 61.770 tons, spainst 57,547 tons to cor-responding period last year, being an increase thus far, for the season, of 24.242 tons of cost 1.025 tons of pig iron were also carried over the

oad for the week ending same date. serious Charge Against a Postmaster. Serious Charge Against a Postmaster. WARSAW, Mo., January 16.—John Aymerson. hithertoregarded as a respectable citizen, has been arrested on the charge of purloining letters from the mails. He occupied the position of deputy postmaster, and it seems that he had been engaged in pilfering moncy from letters for some time past. Several packages were found under his desk in the court house, where he deposited them to open. His guilt appears to be clearly demonstrated. Mr. Aymerson was also a county school commis-sioner and deputy circuit and county clerk. He has been taken to Jefferson City in the cu-tody of Special Mail Agent Gilman. A new counterfeit is described by Messre Imlay & Bicknell, as follows : Spurious five-dollar notes on the Wamsuita Bank, Fall River, Massach avets Vignette, Cupids, Indian woman, hunter and ticomotive in distance; under left of vignette five gell dollars; over vignette, capital 640.000 5 on upper left corner, word Five on left end and lower left corner, 5 on upper right corner, lady in meda-

lion holding flowers on right end, word Five on lower right corner, on lower part of the note the word Five in large blue letters over the words Five Dollars in small black letters; steamboat The Missouri Legislature.

between the signatures of officers Notes of letters AN EXTRA SESSION. Sr. Lovis, Jan. 10.—The Legislature of this State adjuurned this morning.
