ILVER WARE. WM. WILSON & SON Invite special attention to their stock of SILVER WARE, which is now unusually large, affording a variety of pattern and design unsurpessed by any house the United States, and of finer quality than is manufactured for table use in any part of the world. Our Standard of Silver is 935-1000 parts pure The English Sterling......925-1000 "
American and French.....900-1000 " Thus it will be seen that we give thirty-five parts purer than the American and French coin, and ten parts purer than the English Sterling. We melt all our own Silver, and we guarantee the quality as above (935), which is the Mest that can be made to be serviceable, and will remist the action of acids much better than the ordi-WM. WILSON & BON, 8. W. CORNER FIFTH AND CHERRY STS. N. B.-Any fineness of Silver man HARDWARE PACKAGE HOUSES. HANDY & BRENNER, 408. 98, 96, AND 97 NORTH FIFTH STREET PHILADELPHIA. C.E.N. HESS' GRAND MARCH, COMPOSED BY A. DE BUBNA.—It is the happy distinction of Mr. De Bubna's Compositions to please the
evy and to achievate the popular mind by the originality
of his melodies and his gracefulness, brilliancy, and
taste. Numerous as have been marches which have
lately challenged public admiration, none laye won
the one before us. We accepted it more bonesity, than
the one before us. We accepted it more bonesity, than
disspiriting than every portion of the stay, famolitation of which is managed with oqual delicacy and
To military brade, this haren will prove a most acceptable git. Mr. De Bubna is a Composer whose genus and attainments in his art have pleased him among
the first musiciants of the present day; and the dwarch
before us is in every way calculated to increase his
well-saried reputation. Every Lady's Musical Library
should possess this beautiful March. Published at should possess this benutitul March, Published at

Second Annual Message of Mayor Henry.
To the Select and Common Councils of the City of Philadelphia:

On The Solect and Common Countries

of Philadelphia:

Chrynesen: The communication of an annual attenuous of the condition of the city, in relation to its government, finances, and improvements, is obligatory upon the Mayor, and with the fulfilment of that duty he may opportunely present surb measures as he deems expedient for its welfare, and recur to events belonging to the history of its past warr

of analysis he is much better than on matters of MISS PARDOE.

They are printed from clear and besuiful type, on the best of paper, and must prove immensely popular. The following comprise the list:

CONFESSIONS OF A PRETTY WOMAN. By Miss Pardoe. Complete in one large volume. Price Science in one large octains of creating the more interesting to the contract of the feelings of any, but to alloy the price Science. THE WIFE'S TRIAIS. By Miss Pardoe. Complete in one large volume volume. Price Science in the feelings of any, but to alloy the passion.

THE WIFE'S TRIAIS. By Miss Pardoe. Complete in one large volume volume. Price Science in the feelings of any, but to alloy the excitement already existing. Branching into the science in the part of the recently and th vestigating committees of Virginia, and the Senate having that affair in course of analysis, would con

TWO CENTS. brances by which its claim is defeated. If, without affecting the validity of the prior incumincomparison to the prior incumincomparison to the prior incumincomparison to the prior incumincomparison to the prior incomparison to the prior interest, thus preventing its further alienation to interest, thus preventing its further alienation to interest, thus preventing its further alienation or interest, thus preventing its further alienation or interest, thus preventing its further alienation or interest, thus preventing its further alienation of interest, thus preventing its further alienation of interest, thus preventing its further alienation of prevention of prevention of fraudicious or fraudicions of frau

The attempt to cleanse the streets of this city, nder the existing system of contracts, continues by a palpable failure, which is the only result that reasonably can be expected. The law re-

The appropriation to the Department of Surveys to debt, and recof which and recof which nitroller, it ty of Philabit 1859, was \$25,400, of which \$23,767 87 have been expended.

The disbursements of the Highway Department for the current expenses of 1859, have been \$422,000 and the first this debt year, and was authorison to the hidebtedners of former years. Its receipts have been \$21,277 80, or nearly \$1,000 less than the anticipated amount. The communication of the Chief Commissioner afferds abundant evities of over disbursing officer commence with the fiscal year. If, as has frequently been the case, an undue by a retiring official, his successor must either remainder of the year, or apply for an additional the remainder of the year, or apply for an additional of the commence of the Sighway Department during the remainder of the year, or apply for an additional of the commence of the source of complaint. The apportionment of the annual appropriation among the several wards, according to their relative necessities, and the further limitation of expenditures to periodical amounts, would, in a great degree, prevent the unnecessary or extravegant employment of funds.

The attempt to cleanse the streets of this city,
