Ind would be enormously increased in the course of a few years and the cool understanding between ourselves and our neighbors very much promoted. A large reduction of the wine duties would greatly increase our trade with the wine-producing countries of the Continuit. It seems to be generally understood that the first reduction in the wine duty will be from 5. 9.1. to 9s. per gallon, and that, after April next year, the duty will be reduced to from 1s. to 2s. per gallon, according to etcought. The duty on brandy, it is said, will be reduced to 8s.—at present it is 1ss.
