PREPARED GLUE.

SPALDING'S
PREPARED GLUE!
"A STITCH IN TIME SAVES NINE."
ECONOMY! SAVE THE PIECES! DISPATCH
As everybody will improve, first by well-furnished families, it is very desirable to have it done cheap and convenient, and for repairing Furniture, Toys, Crockery, &c.
SPALDING'S PREPARED GLUE
needs only to be tried, to be valued for its immediate use, and to become one kept at all times ready for mending. It is always ready, and for breaking chairs, splintered veneers, handles of tools, and broken necklaces, it is just the article for cane, shell, and other ornamental work, as neither with holes of refinement and taste.
This admirable preparation is used cold, being kept in bottles, ready for instant use, and all the valuable properties of hide bone, enhanced tenfold. It may be used in the place of ordinary mucilage, being vastly more valuable.
"HELPFUL IN EVERY HOUSE."
N. B. A wood cut in every bottle.
PRICE TWENTY-FIVE CENTS.

MEDICINAL.

MRS. WINSLOW,
AN EXPERIENCED NURSE AND FEMALE Physician, presents to the attention of mothers her
SOOTHING SYRUP
FOR CHILDREN TEETHING,
which greatly facilitates the process of teething, by softening the gums, reducing all inflammation; will allay all PAIN and spasmodic action, and is
SURE TO REGULATE THE BOWELS.
Depend upon it, mothers, it will give rest to yourselves and
RELIEF AND HEALTH TO YOUR INFANTS.
We have put up and sold
MRS. WINSLOW'S SOOTHING SYRUP
for years, and can say in truth of it, what we have never been able to say of any other medicine, NEVER HAS GIVE IN ONE INSTANCE FOR IT FAILED IN A SINGLE timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after ten years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in from fifteen or twenty minutes after the syrup is administered.
To the prescription of one of the most EXPERIENCED NURSES in New England, this never-failing article owes its success.
THOUSANDS
OF CASES,
It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve WIND in the BOWELS AND WIND COLIC and overcome convulsions, which, if not speedily remedied, end in death. We believe it the only and sure remedy in the world, in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints, do not let your prejudices, nor the prejudices of your suffering child, stand between you and the RELIEF that will be SURE—yea, CERTAIN—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.
☞ Sold by Druggists throughout the world. Principal Office, No. 13 CEDAR Street, New York.
Price 25 cents a bottle. 1y26-1y

PRINCE IMPERIAL
CHAMPAGNE,
FROM DE VENOGE & CO., EPERNAY, FRANCE.
Sold by all Respectable Dealers throughout the country.
This fine brand of CHAMPAGNE, which until the past year was confined exclusively to the best tables of the Continent of Europe, has now obtained the most unbounded success and popularity in this country. It is recommended by the Physicians of the city of New York, over all other wines, on account of its extreme purity and delicacy, and those who once try it rarely use any other brand. Although only one year has elapsed since its introduction into this country, the demand is enormous and constantly increasing. Our arrangements are such as to insure the quality of the Wine being maintained at its present high standard. The Prince Imperial is imported solely by us, we being the sole Agents of Messrs. De Venoge & Co., in the country.
